6:30 PM Call to order

Assistant Coach Position:

- Morgan has made an offer to our new assistant coach and they have accepted.
- The team will announce the new assistant coach in two weeks, prior to the try out prep clinics.

Recon - technique and acro:

- Raquel reached out to Recon and they were initially receptive to working with DHSDT, however, after further discussion they feel it will be a conflict of interest. They are currently coaching 4 teams who we will likely compete against at DTU's next year.
- The board discussed and are going to go back to Recon and propose that they just work with us on acro and technique during the summer, before we start choreography.
- Should Recon still be reluctant to work with us, the board will follow up with PAX (which has not gotten back to us to date), or Katie can follow up with Alexander Perelli from Michigan Academy of Gymnastics, who has expressed interest.
- Once the team is set, Morgan will reach out to Jesse about potentially coming on board to do technique.
- These practices will occur before practice in the summers.
- More to come on this front.
