

Scenario

Steele meets two teenaged girls drinking at the bar - one is Tamsin (nicknamed Tea), a tall blonde human girl (vanilla), the other is Lia, an ausar shemale. You can choose to have sex with either of them although not both, but Lia will only give you the option if you're a shemale yourself (or a futa - or just any word that means "girl with a dick"). Lia is just taking her somewhat-introverted friend out for drinks, getting her outta the house so to speak, when they encounter Steele.

This is a one-time encounter (for now).

Enter Kally's bar between 9:00pm-1:00am

You see two girls, one ausar and one human, standing near the bar and chatting. The ausar is a cute redhead wearing a somewhat revealing dress and appears to be the more animated of the two, and the human is a pretty blonde with a gorgeous smile.

[Two girls]

You decide to introduce yourself to the girls at the bar - they look friendly, not to mention they're both very pretty and you suspect, based on the way the redhead ausar has been looking around the bar, at least one of them is looking for some fun.

Lia seems to be the more outgoing and excitable of the two, her perky ears swishing this way and that as the three of you talk, and her tail never stops wagging. The way she shifts on her chair and positions herself, though, you're pretty sure she's packing something extra down there. Not that that stops you from checking out the plunging neckline of her dress and the impressive breasts barely contained within whenever she bends down.

[Tea]

"Wh- I- oh fnnnn!"

Her hips jerk erratically into the air before you roughly pull them back down, your tongue washing over Tea's swollen clit. She [i]howls[/i] in pleasure, her hands clutching her face even as her stomach flexes with the effort of orgasmic contractions.

"Oh! Oooooohhh, god! Oh, my god!" she cries out, frantically trying to hump upwards in an act of unconscious need. "Uh! God!"

She bucks in your grip with surprising strength, but you manage to keep her firmly in place and cumming until she can finally take no more, her legs going limp. You smile up at her, just a little smugly.

"Wow. You [i]really[/i] liked that, huh?"

"You really... made me cum," she pants, her voice somewhere between confused and amazed. "I- I don't..."

Rivulets of cum begin slowly rolling down her shaking thighs
//Revelation, physical closeness after orgasm, thought she'd never be able to be intimate with anyone, breaking down barrier

[Lia]

"I actually only really sleep with a certain type of person," Lia admits sheepishly, the two of you talking while Tea is in the bathroom. "They usually tend to find me, though. It's hard to be diplomatic about asking a pretty girl if she's down to dick a shemale," she complains, looking down at her drink and swirling it. "Not that people get offended around [i]here[/i], but I just don't wanna deal with the awkwardness, y'know? How do you escape from [i]that[/i] conversation? Ugh."

She tips her drink back and swallows once, putting the glass back on the table. "Oh well. Maybe some other time." She sighs.

[Flirt] [Don't]

[Flirt] //Flirt with the ausar shemale.

"Pretty girls down to dick a shemale, huh?" you say, smiling as you touch her leg with your foot. "What a coincidence that you said we tend to find you."

Her ears perk up atop her head, her surprise evident in her body language. “Wha- you mean- oh jeez,” Lia mutters in embarrassment, cheeks burning scarlet. To her credit, though, she recovers quickly and flashes you a brilliant smile, still red-faced from blushing. “Sooo... any chance you’re interested in ausar girls, [pc.name]?”

“Oh, I think we can make it work,” you reply, smiling back at her. “But hey, what about Tea? We can’t leave her here alone.”

“It’s okay,” she says, tail wagging behind her. “Now’s about when she gets bored anyway, so we might as well see her home.”

By the time Tea returns, Lia’s snuggled into your lap like a needy puppy, her own stool abandoned in favour of your body warmth. It doesn’t take a genius to figure out what’s transpired between the two of you, and the little grin Tea gives you tells you that she knows what’s going on.

“So, time to go?” she asks, scratching Lia behind an ear. Lia nods, excusing herself to go to the bathroom, leaving you with Tea.

“Ordinarily I’d tell you to be nice to her, but you seem like a decent person,” Tea shrugs, watching Lia disappear into the girls room. “Not that it’s any of my business, but she’s very nice and I do care about her.”

“Relax,” you say with a grin. “She knows what she signed up for.”

Tea nods thoughtfully. “That’s true. Sorry, I’m not trying to be nosey. You’re right, I should worry less.”

“I think it’s nice that you look out for your friend,” you reassure her. “That’s the sign of a good person, and I’m sure she’d appreciate it.”

“Well, thanks,” she says with a smile, at ease. “I’m going to get a taxi back to my place, you two have fun, alright? Tell Lia I’ll message her.”

You wave her off and wait for Lia, who appears after a minute or so looking refreshed.

“Did Tea already leave?” she asks, looking around.

“Yeah, she said she’d message you later. She seems like a good friend.”

“I love her to bits,” Lia says absently, looking at her phone. “Really, I just hope I’m not bothering her by taking her out every couple weekends.”

“I wouldn’t worry about that,” you say, putting your arm around her waist. “How about we go back to my place?”

"Sounds fun..." Lia says, smiling and leaning into you.

--

On board your ship, Lia is all drunkenly affectionate squeezing and touching. The teenaged auser shows none of the embarrassment she did at the bar, clearly extremely interested in you and your body. You close the bedroom door behind you and press her against it, kissing her roughly before moving your attention lower.

"Oh, this is going to be fun," she moans, pushing into you eagerly.

"Did you have something particular in mind?" you murmur, gently licking the nape of her neck.

"Mmm! Well, I... I like to be ridden hard," she admits, bold enough to tell you but not enough to not be embarrassed by it. What a cutie.

"Is that all?" you tease, hand sliding around her back to unhook her bra. "I think you mentioned something back in the bar about getting fucked down. Be completely honest, you want to be dominated, don't you? To have your sexy little butt crammed full of stiff cock while I tell you you're a good girl."

"Y-yes," she gasps, eyes wide in shock. "Holy shit, yes, please."

"Remember, good girls are honest," you murmur.

Your hand slowly slips down her spine, her tail having fuzzed up in excitement after listening to your enchanting words. The fur on her forearms rubs across your upper back as she hugs you close, her bra falling to the floor between the two of you, the warmth of her pert breasts pushed up against your [pc.chest].

{if cupsize > DD:

"Oh my god," she mutters, eyeing your breasts with barely-concealed lust and envy. "You're fucking stacked."

"Is that what you like?" you say, smiling at her. "Having your partner's big, voluptuous breasts weighing on your back while she plunges her cock in and out of your tight little pussy?"}

{else:

"There's something about being fucked by a woman less top-heavy than I am that turns me the fuck on," she mutters, eyeing your chest.

"Oh?" you say, smiling at her. "I'd say you're just in love with the idea of feminine submission. It's only natural for you to want to be taken, Lia."}

"Nnn! If you keep talking like that I'm going to cum before we even get to the bed," Lia warns, rubbing your back warmly.

"What a waste that would be," you say breezily, pulling back from her embrace. "How about you sit on the edge of the bed, cutie? I need your help with something."

She tugs her dress down and lets it fall to the floor, parking her butt on the edge of your bed and looking at you expectantly. {nude: You turn and let her get her first good look at your [pc.cocks], stiffening under her wide-eyed gaze./else: You strip down before turning around, letting her get her first good look at your [pc.cocks], stiffening under her wide-eyed gaze.}

{"Well, I'm not nearly as big as you are," she says shyly, slowly spreading her legs. The overhead lights of your ship dapple across the soft pink flesh of her thighs, drawing your gaze inwards to her cock. It's a cute little thing, probably a little more than four inches of canid dick and standing [/i]painfully[/i] erect. She's definitely getting off on showing you this.

"Oh, that's adorable," you purr, stalking over to her. "Stand up for me, Lia."

She gets up off the bed and stands there nervously, toes turned inward and eyes looking at your feet as she fidgets.

"You are so fucking cute," you murmur, hand sliding down her front to possessively stroke her little dick. "I wouldn't change a single thing about you, Lia."

"Oh! Th-thank you," she says, shuddering in pleasure as you tug her closer, her cock touching your own. She bites her lip to stifle a moan when you slowly roll your hips, rubbing her cocktip with your cumvein.

"Do you like feeling me?" you murmur, not really looking for an answer. "Can you imagine how good it's going to feel when you're on your knees spreading yourself apart for this?"

"Oh, don't tease me," she says breathlessly, freckled face flushed pink. "I'm already so close, I- I'll get you ready!"

Without so much as a command, she sinks to her knees and nuzzles against you.

{PC has >1 cock: "I hope you don't think you're going to be able to get more than one inside me," she warns, looking up at you. "I'm not nearly loose enough for [/i]that[/i]."

“Relax, just focus on pleasing one of them then,” you reassure her, running a hand through her locks. “You’ll need the lube.”

“Let’s try this…” Lia mumbles to herself, opening her mouth. You instinctively tilt your head back in pleasure and groan when you feel her velvet-plush lips wrap around the tip of your [pc.biggestCock]. Her tongue flicks out to wash along the underside and you have to steady yourself, putting both your hands on her head. Not being able to look upwards, she interprets the gesture as encouragement, and starts trying to take you deeper.

“Oh, good [/i]girl[/i],” you murmur, watching her lips slowly work their way down your rod. “You’re a natural.”

She pauses for a moment, shifting her hands, and you’re surprised to feel her dainty fingers wrapping themselves around your [pc.smallestCock]. Her eyes flick upwards with a hint of challenge in them, and you can’t help but laugh gently.

“Ambitious. If I think you’re slacking, I’ll help you out, okay?”

She responds by slowly beginning to jerk your other cock off, planting her other hand on your hip to brace herself as she swallows another inch of cock. Honestly, she’s impressively coordinated for someone evidently not that experienced. You lean back and relax, letting the pretty ausar girl work your cocks up and down with her mouth and hands, enjoying her subservience.}

{else: “I’m not the best at blowjobs, but I enjoy them a lot,” she says, looking up at you. “Maybe you can help me practice?”

You lean back and relax, letting the pretty ausar girl work your cock up and down with her mouth and hands, enjoying her subservience.}

“Mmmm, I think you’ve paid your respects by now,” you sigh in satisfaction, gently pulling her off your dick. As regrettable as it is to miss out on the warm sheath that is her mouth, you’ve got your sights set elsewhere. “Why don’t you get on the bed, cutie? Splay yourself out on all fours like a good bitch.”

Lia's dick twitches and pulses when she hears you call her a bitch, a little drip of precum leaking down her little length, and you snicker as she turns.

"You like that idea, don't you Lia? Being my little bitch for the night."

"God, yes," she whimpers, climbing atop the bed and spreading her legs. "Take me, you sexy fucking she-stud."

"That's what I like to hear," you murmur eagerly, positioning yourself behind her with cock in hand. "Spread that tight little hole for me, cutie. I'm gonna fuck you through the bed."

She does, and you take ahold of her hips to align yourself with her puckered ring - this is going to be [i]tight[/i]. She talked a big game, though, so you're not gonna hold back now. {equine: She gasps when she feels the blunt tip of your cock at her little asshole, her hands stretching it wide open but not nearly enough for what you're about to do.

"Oh god, get that fucking flare inside me," she pants, chest heaving against the bed. "I wanna feel your fucking ring against my asshole."}
{lizarddick: She coos seductively when she feels the tapered tip of your cock at her little asshole, her hands stretching it wide open to allow you easy access.

"Oh fuck, that's the perfect shape for fucking my ass," she pants, shivering in lust. "I want to feel you deep inside me, every inch getting thicker until I can't take any more."}
{dogdick: She moans appreciatively when she feels the tip of your cock at her little asshole, her hands stretching it wide open for you.

"Oh fuck, I can't wait to feel that fat knot," she pants, looking back at you needily. "There's nothing like being stuck on the cock of a sexy bitch while she pumps you full..."}
{else: She moans when she feels the tip of your cock press against her little asshole, her hands stretching it open for you.

"Oh fuck, I can't wait to feel you inside me," she pants, looking back at you with an expression of pure lust. "I want to feel you cumming in my ass, marking me with your dick."}

Impatient already and only spurred on further by the slutty encouragement, you press forward and grunt in satisfaction when her ring spreads itself wide around your , swallowing the first inch. She's fucking [i]tight[/i] back here, her passage wrapping around you like she needs your cock inside her to live.

"Oh, fuck!" she squeals, letting go of her butt and sitting bolt upright on all fours. "I'm cuh-cuh- uhhhhn!"

You're scarcely an inch or two inside her when she cums, her asshole squeezing down on you as she bucks back and forth, desperately trying to keep you inside her as she endures her explosive orgasm. Her tiny dick spews rope after rope of clear cum across the

bedsheets, splattering her stomach whenever her hips buck hard enough. She cums for close to half a minute, her ecstatic groans of orgasmic delight growing in volume all the while until she loses the strength in her arms and collapses back onto the bed.

“Mmn! Mmmm! O-oh guh- god, fuck,” she moans, shaking as the aftershocks run through her thighs and hips.

“Wow,” you remark, somewhat impressed. “You weren’t kidding about being close, huh?”

“I- it’s not always like that,” she pants breathlessly, trying to get back up. “I just ca- can’t help it when you’re so, so fucking hot!”

You grin. She might not be the most experienced girl ever, but she’s definitely one of the sexiest. Time to show this little bitch a good time. She’s hardly gotten back up when you fuck her deeper, your cock sinking another few inches into her tight little ass.

“Oh, [i]fuck[i],” she groans, shuddering when she feels your dick press against her swollen prostate. Whatever she was going to say next is forgotten as she moans like a whore instead, her dick spurting another string of clear jizz.

You pull her closer with your hands around her hips, sinking into her slowly as she moans underneath you. You can feel her squeezing at you again, suffering yet [i]another[i] gasping orgasm, and decide to see how rough you can get with it.

You pull back until you can see her swollen ring desperately trying to keep ahold of your tip, ignoring her cries of pleasure, and then ram yourself {cocksize >17": as deep as you can get/else: to the hilt} inside her. The response is immediate, her voice raising octaves before she loses it, her mouth opening and closing in voiceless orgasm every time you pull back and slam home. You can feel Lia’s entire body tensing up when you’re inside, as if you’re forcefully wringing the cum out from her.

She gives up on trying to stay sitting, choosing instead to dopily accept her role as your fuckhole to ravage and dominate. Her upper half sinks further and further into the mattress as you press at her, cum leaking freely from her limply swinging cock, jizzing herself every time you rub across her pleasure button.

When you finally feel yourself approaching orgasm, Lia’s voice is coming out in high-pitched moans and gasps of feminine ecstasy, and she gives a loud cry of pleasure when you slide as deep as you can and grunt, cum working its way down your cock.

{knot: Even as the first rope of your seed begins to splash into Lia’s insides, your knot begins swelling at her entrance. You hurriedly work to get it inside her, her voice going from a growl as you stretch her wide to a submissive whine when it finally pops inside, sealing your cum inside her.

“Nowhere to go, little bitch,” you murmur, gently taking ahold of her limp, sweaty tail and rubbing it. “You asked for it.”

Her insensate murmur of fulfilled pleasure is the only reply you get, but she responds by pushing back into you when you lie down next to her. Figuring you’re liable to be here a while, you wrap an arm around her and just enjoy the moment, listening to her little fluttering moans as you fill her with spunk.

“Can we stay like this?” she whispers to you, not turning her head. “Just for the night?”

Figuring you can grant the tired girl her wish, you nod and give her a scritch behind the ears before you turn out the light. The sound of Lia's breathing gradually slows and deepens as she falls asleep in your arms, and eventually you drift off too.

When you awaken, you can hear the sound of your ship's shower - you wait, and sure enough the fluffy dog-girl pads into your room adorned in nothing but a towel. She gives you a flippant grin and takes it off, letting you drink in the view before she starts getting dressed. You admire her body from the comfort of your sheets until she's back in her dress, and she comes over to give you a kiss. You pull her down for a rougher embrace, and she spends several seconds entwining her tongue with yours before she pulls back with a gasp.

"Jeez, Steele, I was already going to thank you for the wonderful night," she jokes, running her hand down the blanket. "Now I'm half-inclined to stay- oh..."

She looks down at the covers where her hand has halted on top of a protruding bulge.

"Well," she says thoughtfully, tapping her bottom lip with a finger, "I don't have anywhere to be until the afternoon..."

"Get down there," you purr, lifting back the covers and tugging her in.

When you finally finish humping her pretty face like she's your toy, she takes gasping breaths in between loud swallows, her tummy stuffed with your seed from the other end this time.

"I don't think anyone I've been with has ever had the appetite you do, [pc.name]," she moans, head laying on your stomach.

"You love it," you murmur, scratching her between the ears.

"You're totally right," she giggles tiredly, then gets up. "I'm gonna take another shower. The last thing I need is mom and dad asking me why I smell like I've had my lips wrapped around a fat cock for an hour when I come home."

She gets out of the shower and dresses, then checks her device before waving it around.

"Tea messaged me. She got home fine and hopes we had a good night," Lia says, then giggles before looking at you. "I guess we weren't exactly subtle, huh?"

"What with your drunken grinding on my lap? Probably not," you reply, amused.

She sticks her tongue out, then her expression softens.

“Well, I had a good time. I thought the night was gonna be boring and uneventful, then you showed up! So thanks, [pc.name].”

Lia leans in and gives you an affectionate kiss on the lips before flashing you a smile.

“Maybe I’ll see you around? Don’t be a stranger!”

You see her off with a wave and return to the interior of your ship. She’s fun.

Message from Lia if you bone Tea

“Heeey [pc.name]! I heard you guys had a really good time - like, a [i]really[/i] good time. Congrats on busting Tea out of her little shell! She’s been bragging about how good you are for an hour now. Apparently she’d never cum in her whole life! Can you even imagine?!

Well anyway, I just wanted to say thanks, seriously. Even though she’s so nice she doesn’t have too many friends, and I’m not always around to show her a good time. You’re cool, [pc.name]. Hopefully we see you around!
