

I hate waiting.
But if it's
waiting for you
I'll wait.

One of my favorite books to read to my children was called
The Princess and the Kiss. It is a story about saving your
Priceless purity for the one worth waiting for.

When I was a young girl, my mom said to me
“Save sex for the one you will marry so that you can say,
‘ I knew I would love you so much that I wanted
to be able to say I waited for you.’”

I Immediately knew that I wanted to be able to say this on my
Wedding night. Because of this I did waited to have sex until
my wedding night.

Many of you have already had sex, BUT I want you to
consider saving yourself from this day forward. Sharing your
Body with people is a significant act, and to begin again, to
Save it for the one you will marry, would be a rare gift.
Wouldn't it be wonderful to be able to say, “I decided to wait,
Once I realized how precious waiting for you was.”
