

Tri-State Housing Regulations

(Please sign and return one copy)

1. **No** girls in boy's rooms and **no** boys in girl's rooms.
2. **Do not** leave hotel grounds unless you are in Tri-State transportation (i.e., no trips to the store, etc.).
3. Keep hotel room locked at all times. Mercyhurst College and the Days Inn are not responsible for lost or stolen property.
4. Treat hotel property with respect.
5. Please don't bother the hotel desk staff (they are very busy with other hotel guests). Any Tri-State questions should be directed toward the housing coordinator.
6. **No one** leaves the hotel with parents, directors, etc. without verbal permission from the housing coordinator.
7. There will be no switching of rooms, etc. The Tri-State personnel work very hard to create an environment that will be educational and beneficial to all. Learning to respect others is part of this process. With this in mind, please be courteous and respectful to fellow roommates and band members. Any complaints should be directed toward chaperones and the housing coordinator.
8. Take responsibility for staying on schedule. Note all meal, bus and rehearsal schedules.
9. Most importantly, have a wonderful weekend of music and friendship.

Any infraction of State or Federal law will cause us to turn the offending student over to local authorities. This includes the possession of controlled substances.

I have read and understand the rules stated above.
