Weekly Update For 09/07/2025

Dear JMS Families,

- Happy Sunday. I hope you and your family have had a relaxing weekend. It's hard to believe but we are already entering the fourth week of school. Please reach out if you or your student needs anything.
- This week, NWEA testing occurs on Tuesday, Wednesday, and Thursday. This is the first of our three benchmark test dates for the year. The daily schedule will include a 2 hour testing window from 8 to 10 AM, with abbreviated classes the remainder of the day. This data is used to monitor student progress over the course of the year. Please reach out if you have any questions.
- Comet Skills, our after school tutoring program will still be held this Tuesday and Thursday from 2:45 to 3:45 PM. Please make this opportunity available to your student if it's a need.
- Our weekly grade reports are being generated now. Please reach out to the office if you do not have access to Skyward. This is the easiest way to monitor your student's progress.
- The Michigan Department of Education (MDE) opened the nomination period for the 2026-27 Michigan Teacher of the Year this past spring. The window remains open until Wednesday, September 24, 2025 at 11:59 p.m. MDE welcomes nominations from students, parents/guardians, coworkers, and school community members. Individuals wishing to nominate a teacher for this recognition are asked to complete this [online form](#).
