### ACTIVITY/PROJECT 3 NAME: PROJECT ATLETA

**GOAL:** By donating hygiene kits and First aid kits to a Club in Pampanga named the mighty bacs, we are helping them out in their training or in upcoming Tournaments to keep them safe from germs, bacterias and from serious injuries that could change their lives. By doing this campaign we are ensuring that these people can play their hardest in the fields while having a clean, healthy body and without worrying about their health so they can play the sport they love without fear. After this, we will also be playing with the players of the mighty bacs.
