

Summer 2026

Dear Students and Families,

Welcome to D3! I am very excited to meet you and begin an exciting year of learning! I have many new things to share with you and I am anxious to get started! I am sure you will have a fun and very successful fourth grade year!

Our 4th grade class will explore subjects like Desert Animals, Electricity and Magnetism and of course Multiplication and Division! I love to read and I hope that you do too. We will be reading and discussing many wonderful books throughout the year.

I look forward to meeting you at **Meet the Teacher on Tuesday, August 4th from 4-6pm**. You are welcome to bring the supplies listed at the bottom to Meet the Teacher or the first day of school.

If you have questions or would like to share any information about your child with me before school starts please email me at dksoreson@mpsaz.org. School starts **Thursday, August 6th at 8:15 A.M.** See you there!

Sincerely,

Mrs. Sorenson

Each student needs the following supplies:

- 1 **white** binder (2 inch)
- 2 Spiral notebook, **single subject**, wide ruled
- 5 sharpened pencils
- 1 box each of colored pencils, crayons, & markers
- 2 large glue sticks
