Email 2 - HOOK, STORY, OFFER

Subject Line: How Winners Win

Now that we’ve identified that you're a man or woman of your word, let me explain.

(H) Anything is possible, stop for a second, close your eyes and picture this...

You’re stood on the balcony of you’re 8 figure, luxury, Dubai, sky mansion, penthouse whilst overlooking the \$10 million view, it’s 6:30, it’s time for you to be chauffeured in your black badge Rolls-Royce Phantom to your \$5 million business meeting across town.

(S) I have been there in your shoes, struggling single mother childhood, no father or any sort of masculine role model, no money, couldn’t afford the bills, no car (nevermind a Rolls-Royce), we could hardly afford food and rent at the sametime, my mother working double shifts.

It is never ever yours or anyone else's fault for not being born rich, but it is absolutely 100% accountability if you don't become rich especially in our modern day and age of the mass amounts of different business types and investments.

(O) I don't care who you or your family are, I don't care where you come from, I don't care what your past excuses for your severe procrastination was, I can guide you to ultimate financial freedom outside the 9-5 world in business, it is now your choice, GET THE LIFE YOU WANT OR MAKE YOURSELF AND YOUR FAMILY SUFFER FROM NEAR POVERTY FOR ANOTHER POINTLESS ETERNITY.
