

Welcome to Ynys Seamaide!

We are a roleplay sim in Second Life with real traffic generated by real role players, not bodies parked on build platforms and inside unreachable private residences.

As a merchant in our sim we promise to promote you as much as we can and seek quality merchants that offer goods our role-players want and need to enhance their experience with us.

We ask that you please provide us with the following information, and drop it in our mailbox, either here or in world so that we can add you to our website as a supporting merchant. Then everyone who visits us knows who you are!

[Merchant Application](#)

[Our Website:](#)

[Our Facebook:](#)

- We prefer that you use unscripted vendors to help us keep the lag down (though Caspervend and Alika users are ALWAYS welcome!),
- No floating text.
- We will make your sign a LM giver/ shop information giver for sale for 0 Lindens, instead of using scripts to save you the prim!
- Please, no talking/scanning/auto scrolling/scripts/ no floating text/ group inviter's (except the ones we put out that promote the entire sim) or visitor counters...

Every Linden that you pay in rent / donation goes to support this sim, to pay tier, and makes it possible for our residents to enjoy everything we offer.

Please feel free to drop your sales/event notices in our mail box once every other week by Wednesday, so we can include it in our land newsletter (published middle of the month and end of the month), and further promote your business!

Per week rates are as follows:

20 prims = 50 linden

40 prims = 100 linden

60 prims = 150 linden

These services are part of the benefits of renting at Ynys Seamaide, and will always be provided for you at no cost as long as you rent/ donate here.

Anyone whose shop is over its prim limit or causing lag will be contacted once, and given 48 hours to correct the issue, before we return your shop to you. Sorry, there will be no refunds on rent paid if we have to return your items due to exceeding your prim count or heavy script usage in your area.

Thank you for supporting us!
