1. Some common problems students face

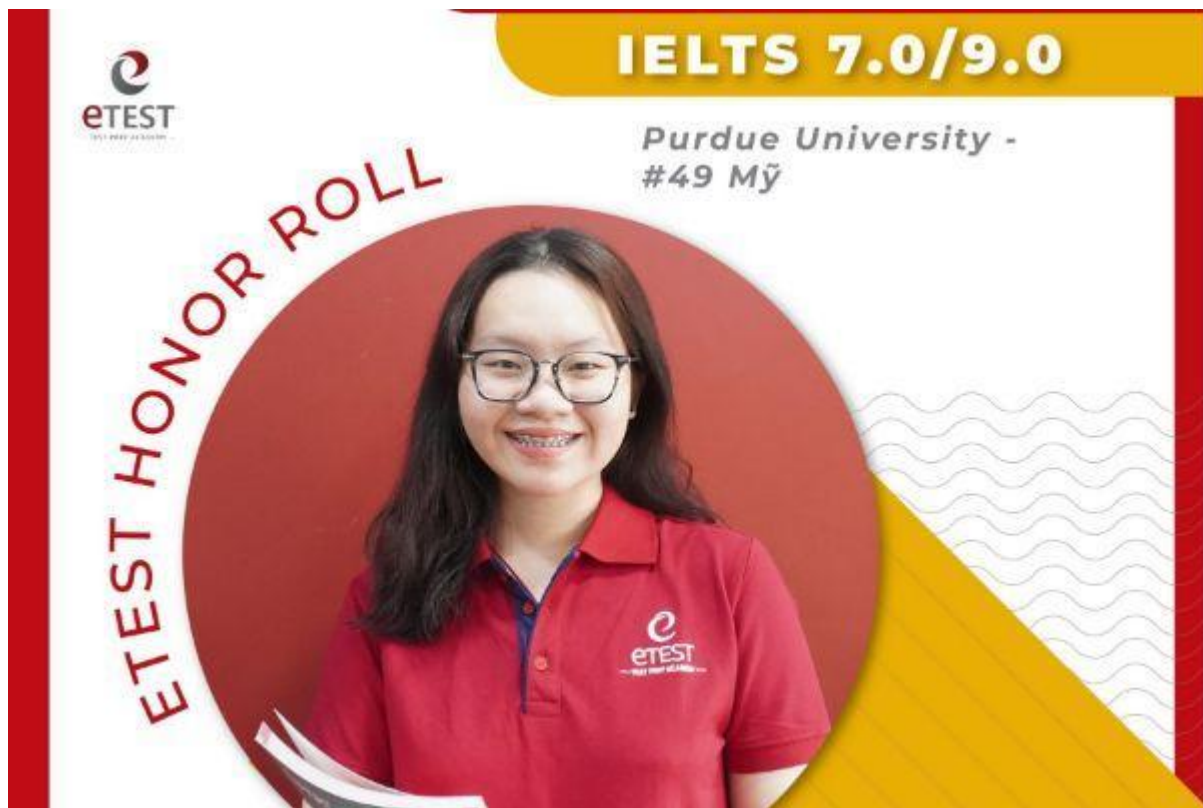

Unable to arrange a time to study directly: You cannot immediately attend courses at the center because you are too busy, limited by space and time, or because of your location. You can't study on your own.: You're fed up with the one-on-one, video-based IELTS learning program.

Need help from a teacher: You need help with your IELTS study from an experienced and knowledgeable teacher, but you still haven't found a reliable and COMMITTED IELTS study site.: Review Forever but do not have many skills to do homework

You have mastered the techniques of taking the IELTS test but do not have the skills to take the IELTS test. Get the maximum score, and still make many minor mistakes.

Not enough IELTS score target: You are only missing 0.5 – 1.0 band score which is enough for the intended target IELTS score.

2. Why should you join Anh ngữ ETEST's IELTS online course

2.1 Good course quality and output commitment

ETEST is committed to ensuring IELTS results according to the requirements of students participating in the class and fully completing the exercises under the guidance of the teacher. Make sure students are as educated and well-informed as possible.

Flexible schedule, 3 or 5 sessions / week, you can study anywhere you want: at home, cafe, ...

Small classes (6–12 students) allow teachers to closely monitor each student and ensure a higher quality of output.

Save twice as much money while preserving the quality of the results.

There is a periodical test at each midterm and at the end of the term to help students, parents and teachers evaluate their academic performance.

2.2 Experienced instructors

With a team of teachers who are good at communicating and have many years of teaching experience. As educators dedicated to our fees, our one and only goal is to raise the standards of IELTS and foreign languages for the next generation.

2.3 Filtered knowledge, which helps to increase the effective score

The distillation of knowledge in the IELTS Online course manifests itself in 4 different points: Learn what students need, not all that English has to offer, and take a training course tailored to each student's needs. pellets. Students + state-of-the-art slide teaching tools + thorough curriculum + level-by-level curriculum + knowledgeable instructors who provide information that is easy to understand and remember.

Above is some information about the IELTS Online course, if you are still having difficulty in planning the route, choosing the right materials and learning the right way, please contact Anh ngữ ETEST. We will reply as soon as possible.
