

The sections in the template are not set in stone; section titles can be added/modified, and subsections added where appropriate. However if it suggested that you maintain the style, and as much of the order and content of the template as possible.

In your final version please make sure:

- o sections are aligned*
- o font is consistent*
- o acronyms are spelled out when first used*
- o unused sections are deleted*
- o your final submission version is saved in PDF form*

Years

Certification and Licensure

Diplomate, Your ABMS Board
Subspecialty Certification, Your Subspecialty Board
State Medical License (active and inactive, without numbers)

Year

Professional Development

This is an example of a section not on the original template, but could be a valuable addition if you have appropriate non-degree related programs and trainings you would like to share (ex. Dive Medicine course, Fleet Marine Force Warfare Officer, etc.)

Years

Professional Memberships

This is another example of a section not on the original template, but could be a valuable addition- please include your fellow status where applicable

Honors and Awards

Consider dividing this section into subsections; list out your professional and teaching awards in one section, and your military awards in another. Include a line or two about what the award is given for/why you earned it.

Years

[Note: you may also list elite fellowship programs, those to which you were accepted on the basis of a competitive, as opposed to first-come, first-serve, application process, here.]

Committee Assignments and Administrative Services

Remember to mention all committees- hospital, educational, and military. Include the committee title, your role, and the years of service.

[List in reverse chronological order, noting leadership positions held. Include university and non-university activities (e.g., work with NIH study groups).]

Years

Suggestions to consider:

- *OR Board management in clinical settings*

Clinical/Quality Improvement Activities

This is another optional section which some anesthesia faculty have found helpful to include.

Educational Activities

If you have a lot of material for this section consider organizing it by type (curriculum development, curriculum revisions, lectures (by level if needed), courses developed, etc.).

- ☐ Identify your teaching activities here or write "See attached Teaching Portfolio."
- ☐ List in reverse chronological order, noting your role (course developer, course director, lecturer)
- ☐ Include supervision of graduate students and thesis supervision in a research setting
 - Include graduate student teaching
 - Identify teaching residents in a clinical setting
 - Include advising responsibilities
 - Consider using a table, as it provides a concise, visual way to identify role, number of students, number of sessions, and evaluation data.

Reflect the years you undertake each activity

Suggestions (in addition to the above) to consider:

- *PACU nurse teaching activities during clinical settings*
- *SRNA supervision/teaching in clinical settings*
- *Grand Rounds*

- **Participation in virtual teaching**
- **Development of teaching and assessment materials**
- **Mentoring activities**
- **Professional development sessions you've led**

Grants and Contract Awards

- ☐ List under sections of pending, current, and past in reverse chronological order
 - ☐ Include the title of grant
 - ☐ Identify the granting agency and grant number
 - ☐ Note award total, demarcating total direct and indirect costs
 - ☐ State your role, also identifying the PI if you are not the PI, and percent of effort
 - ☐ If you include contracts use two subheadings, separating contracts from grant awards
 - ☐ If voluminous, truncate this listing to the most recent decade (or past five years) and note the limitation in the heading.
 - ☐ Consider using a table, as it provides a concise, visual depiction of this material.
- Include the dates of each award

Editorial Board Appointments

[List in reverse chronological order]

Include relevant dates

Publications

1. List your publications in chronological order for easy updating
 2. Number these and highlight your name in bold
 3. Follow this order - peer-reviewed, non-peer-reviewed publications, articles accepted for publication, books and monographs, evidence of works in progress (complete articles published in conference proceedings, book chapters, review articles, editorials as indicated), development and/or publication of educational materials, development of major curricular offerings or innovative educational programs, non-print materials, published abstracts
 4. Note: if you're not listed as first author on publications for which your mentored student is listed, note that role with an asterisk or other indicator
- Include relevant dates

Notes:

-Format citations in AMA style. For assistance with this you can use Endnote, which is also a great way to have your resources ready for future use. Or you can use PubMed (look up look up materials, click the "cite" link, switch format to AMA, then copy and paste).

-You do not need the doi numbers in the citations for this CV.

-Articles which are accepted are "in press" and submitted are "under review".
