Dear Families,

PPG Meeting Updates

Windfarm Grant

A MASSIVE thanks to Laura Geals for all the hard work and time she has spent applying for grants for the school. Laura's application to Ventient Gordonstown Community Find (Fyvie and Rothienorman) administered by Foundation Scotland for £1500 towards school trips and visits has been successful! This award means that our upcoming school trips and visits will be at no cost for our families. Thank you!

Learning Journals

At the recent PPG meeting, we discussed Learning Journals and that some of the communications were not being received until the evening, hours after they have been sent. I contacted Learning Journals to see if there was a solution to this and was informed that currently the notifications go out between 6-8pm. They have been looking into this and hope that there may be a change coming in June to allow notifications to be sent immediately.

Positive Relationships Policy

Just a wee reminder to families that we are looking for some parents to help finalise our Positive Relationships Policy. We are meeting at the school at 1:30pm on Tuesday 21st May. Please let the school know if you are able to come and support.

Kind regards,

Together We Learn, Together We Grow!

M Strachan
