

Dear Swimmers and Families,

We're so excited to welcome you to our very first Summer Splash Meet,

Let's make sure it's a fun, friendly competition, with great team spirit for all our novice swimmers!

 Where: Waterlane Pool

 When: Please arrive by 4:00pm

 Warm-ups begin: 4:10pm

 Racing starts: 4:40pm

This is a novice meet, and for many swimmers, it will be their first time racing—a huge milestone! We're incredibly proud of them for stepping up and wish everyone the very best of luck.

A few key notes to help the meet run smoothly:

- Only swimmers are permitted poolside and in the changing rooms, we have Team Managers and Coaches to help them poolside.
- Officials will be observing to ensure all strokes are swum legally, meaning some swimmers may be disqualified (DQ'd) for technical infringement, part of the learning journey but it can result in short delays.
- Spectator entry is £5, with under 12s going free.
- Heats will be mixed, and are seeded based on previous times, where available, not age or gender. This means swimmers race against others of similar speeds, but results are separated by gender and age and medals awarded accordingly.
- Age categories for medals are based on the swimmer's age at the end of the year, so they may swim in an older category depending on their birth date.
- Results will be displayed at the venue and will also appear on Meet Mobile, a chargeable app widely used at swimming meets.

We'll also have cakes on sale and some fabulous raffle prizes to be won—bring your appetite and a bit of luck!  

Let's make it an unforgettable and positive experience for everyone and thank you in advance for attending
