State Government: The Power and Limitations of the Executive Branch

Objective:

Students will read a case study of the Massachusetts governor's power as the executive, and make claims about this power and limitations.

Directions:

Read your assigned article about Governor Baker exercising some of his powers as governor.

Then, do the following:

1. Summarize the event described in the article
2. Explain how the event demonstrates
 - a. The power of the governor
 - b. The limitations placed on the governor

Event	Power	Limitation

Based on what we see in the graphic organizer, how would you characterize the governor's power in Massachusetts?
