Subject: Inclement Weather Make-Up Day – April 18, 2025

Dear Parents and Students,

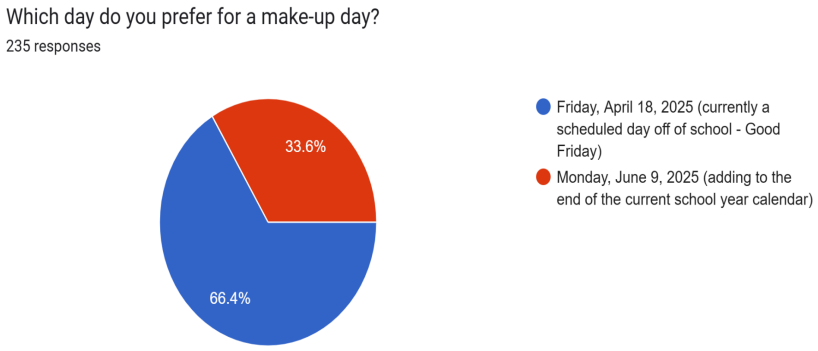

After closing the parent survey, with 235 responses, it was determined that nearly 67% of participants would rather add the make-up day to our existing calendar and not at the end of the school year. As part of our efforts to meet the required instructional hours for the academic year, we want to inform you that **Friday, April 18, 2025 (Good Friday)** will now be used as a **half-day of school** to make up for a day lost due to inclement weather.

Please plan accordingly. All buildings will follow the district's standard half-day schedule, and transportation services will run as usual for a half-day. We appreciate your understanding and flexibility as we ensure that our students receive the full instructional time necessary for their educational success.

If you have any questions or concerns, please feel free to contact your building office.

Thank you for your continued support of Kingston Community Schools.

Sincerely,
Shona Vennevy
