### **ALLENDALE COLUMBIA SCHOOL STUDENT PHOTOGRAPHY TO BE SHOWCASED IN THE 2026 IMAGE CITY: THROUGH THE STUDENT LENS EXHIBITION**

Several AC students have been selected to showcase their photography in the 2026 **Image City: Through the Student Lens** exhibition. The show runs from March 24 through April 19 and features work by Mari M. (two pieces), Dominic I., Ronan P., Vany M., Zuri B., Anna S., Sofia D., Wyatt W., and Eli R.

WROC–RochesterFirst.com has partnered with Image City Photography Gallery to recognize and celebrate talented local high school photographers. To raise awareness of the exhibition and highlight these emerging artists, WROC and RochesterFirst.com will feature the students' work in a digital gallery on RochesterFirst.com. Viewers will be encouraged to visit <https://www.rochesterfirst.com/> to explore the gallery and vote for their favorite photograph.

Now well into its second century, Allendale Columbia is a leading independent coed school for students 18 months old through grade 12. Here, learning goes far beyond books and tests. We have the freedom to dig deeper so students can question more, discuss, debate and question again. As a result, our students develop critical thinking skills and become effective problem solvers. Our faculty members use their independence and experience to connect knowledge to real life so our students can make more sense of the world—and their place in it. It all adds up to a different school of thought: high expectations and relevant experiences that prepare students to succeed in a global community. Visit the school's 33-acre campus at 519 Allens Creek Road in Pittsford or online at [AllendaleColumbia.org](http://AllendaleColumbia.org).
