

# Middle School 1: Money in Our Lives Unit Plan for Teachers

**A NOTE FOR TEACHERS:** Unit 1 of this course is shorter than Units 2-9, as it includes only three lessons. The purpose of this unit is to establish a foundation for the rest of the course by having students reflect on their relationship with money and what they value, how they make decisions around money, and more!

1.1 Personal Finance Decision Making  Students will be able to:  Discuss their personal financial decision-making process  Identify their money personality based on personal behavior and choices  Analyze financial decisions and the influence of personal/external factors

<ul><li>Lesson Guide</li><li>Student Activity Packet</li></ul>	Spending  • 2b: Explain the types of information most helpful in making a purchase decision
	<ul> <li>Saving</li> <li>2b: Explain how a person's personality type might affect their willingness to save or to stick to a savings plan</li> <li>2c: Identify life situations that can make it difficult for a person to save or to stick to a savings plan</li> <li>2d: Discuss how savings decisions can affect financial wellbeing</li> </ul>

# 1.3 Your Future Life

### Students will be able to:

- Explain the importance of having goals for their future
- Illustrate what ideas will be important to them in the future using a mind map
- Create a specific representation of what their future might look like based on goals and priorities using a vision board, slide deck, or video

Links	Middle School National Standards for Personal Financial Education
<ul><li>Lesson Guide</li><li>Student Activity Packet</li></ul>	Spending  • 1a. Identify personal goals for spending and saving
	Saving  • 1a: Identify the most common reasons that people save money for the future

Unit Test: This unit does not have a unit test as it is a shorter unit. All other units in the course have a unit test.

• Please refer to the <u>Middle School Course Page</u> to access all assessments. You must be signed into your NGPF Teacher Account.
