October 18, 2026

Good Evening Baucom Families,

This is Mrs. Huffman with the Sunday Kickoff Message for the week of October 18th. Friday was our kickoff for our annual Fun Run Fundraiser. These next two weeks will be full of fun and celebration as we raise money for our amazing school.

Here are a few pictures from last year:

Tools, Not Toys

At Baucom, we recognize that students have different learning needs, and we support the use of tools such as fidgets, doodling, and movement to help students focus and be successful. However, we have noticed an increase in toys being brought to school that are becoming distractions rather than tools for learning. As a schoolwide expectation, any items brought from home to support learning must be **no larger than a student's fist, quiet, mess-free, and used appropriately**

without distracting others. Students should use only one handheld tool at a time. If an item becomes a distraction or is used as a toy, students will be asked to put it away. Thank you for helping us keep the focus on learning while continuing to support the individual needs of all students!

PTA/Fun Run Fundraiser

The Fun Run is here!

It is our biggest (and only) fundraiser of the year. This Fun Run helps us host all of our school events, support our wonderful staff and so much more! Every student who registers will earn a prize.
