

PRE CONFERENCE WORKSHOP
Carol Rainbow, Heike Philp
How to survive in Minecraft
24 April 2018

Equipment/ Software needed

Minecraft software by Mojang (about 25 USD) or borrow your child's software!
Add server: mc.guinevereproject.eu

Meeting point is Adobe Connect

<http://lancelot.adobeconnect.com/virtual-round-table>

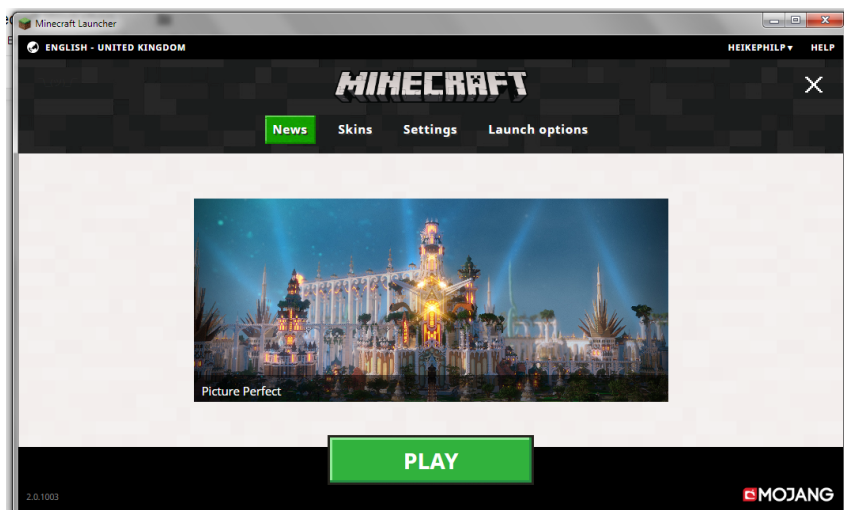

Preparation

1) Watch the video

"How to sign up a Minecraft Server" Video tutorial
or follow these instructions <https://youtu.be/RkSOCMwdpvA>

How to add a server

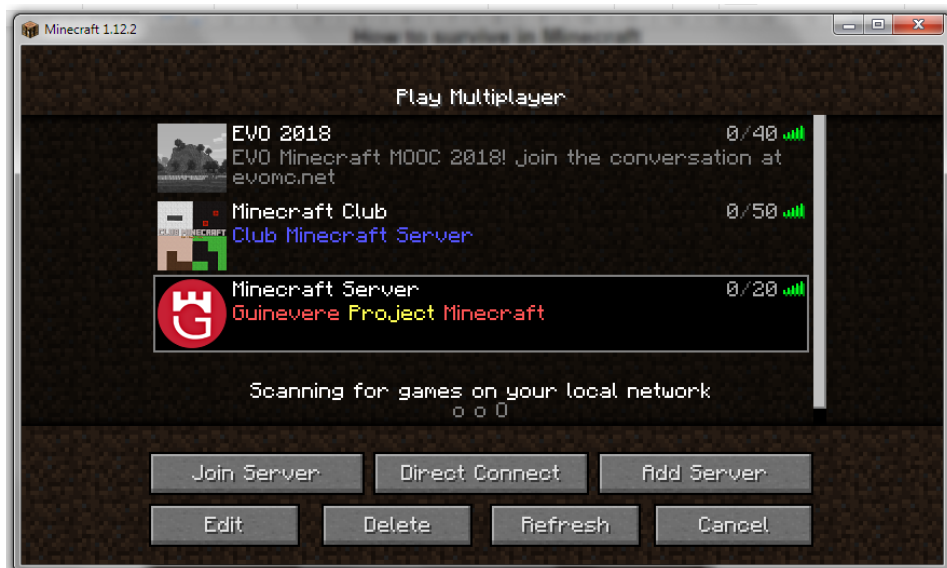

(a) Click on PLAY

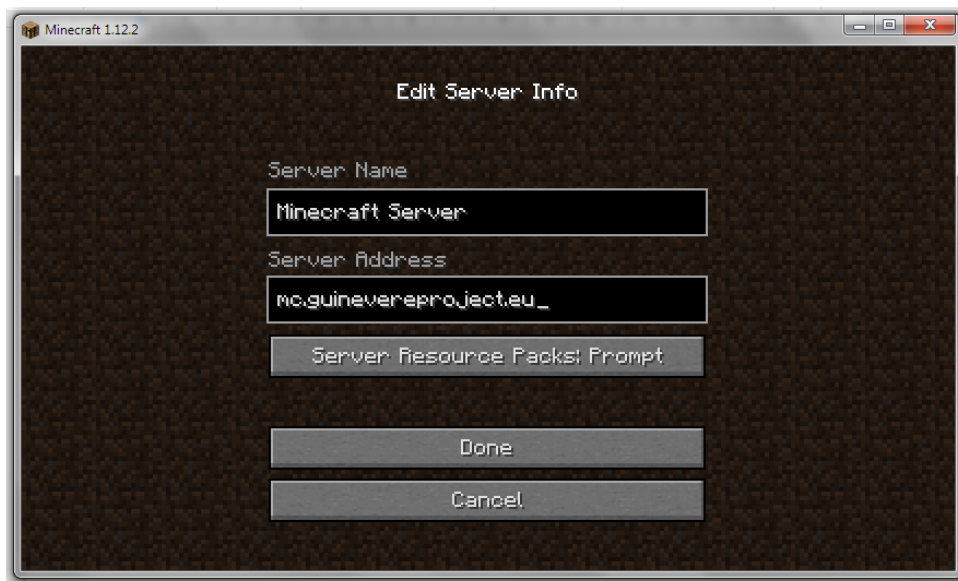

(b) Select Multiplayer

(c) Click on Add Server

(d) Type mc.guinevereproject.eu

- 2) Watch the video “Survival Shelter First Night Survival Mode Minecraft”
<https://youtu.be/JM5zaQwleoQ>
- 3) Learn how to get wood, create a shelter, create a wooden axe and survive the first night. By then you will be hungry!
- 4) We will cook eat food to rebuild our strength.
- 5) If there is any time at the end you can look around the ship, visit places from the teleport station, try building in a space just away from the centre, visit the village and ride a horse etc. There is plenty around the meeting point for you to do!
