

Franklin Band's

WINTER

concert

DECEMBER 19TH, 2024

7:00PM - 9:00PM

Franklin Instrumental Music

Franklin Instrumental is focused on providing all of our students with musical opportunities to shape their lives in a positive and meaningful way. This includes providing large and small ensemble opportunities to help build a high level of musicianship. Please check in with your musician and ask them if they have been assigned a small ensemble to perform and practice with and/or a solo for our district solo/ensemble festival coming up in late February. Ensembles are encouraged to practice before and after school. Our community loves music and values music education. Thank you for helping our musicians to grow to their fullest potential. Please consider connecting your musician with a private instructor this year. We are always working on ways to help support private instruction for students. Please contact me if you need anything regarding private lessons for your musician.

Thank You

Thank you to our principal Zulema Naegele and the Franklin administration for supporting music education and the performing arts. Thank you to our Franklin performing arts team: Josh Forsythe, Sonia Kellerman, and Katey Simmons. Thank you to the theater technical crew for their support and set up to help present our Winter Show to the community. Thank you to our Lightning Band Booster directors, and all of our parent boosters and the Franklin Alumni Association. I also want to thank all of you, the community of parents, friends, and family that support all of these musicians and their musical journey.

Jason Owens
Director of Bands
Franklin High School
