(00:07) Malachi 4 verse 5 through verse 6 would you stand for the reading of the word of the Lord behold I will send you Elijah the prophet before the coming of the great and Dreadful day of the Lord verse six and he shall turn the heart of the fathers to the children and the Heart of the children to their fathers least I come and smite the Earth with a curse well let's pray Almighty Yahweh please use your vessel right now to bring forth the word that's destined for this hour I pray that you use the lips of the unprofitable servant

(00:53) to speak the Divine mandates of the kingdom of the almighty in the name of yesu we pray and father I take authority over every spirit in this house over every negative Spirit over every Jezebel spirit I come against you as the prophet of God and I declare you to be submitted to the word of God and corrected by the word of God in the name of Yeshua and everyone said amen amen you can be seated read it one more time for those that didn't quite understand understand it behold I will send you Elijah the prophet before the

(01:34) coming of the great and Dreadful day of the Lord amen you may be seated now let me ask every one of you a question when is The Great and Dreadful day of the Lord anybody know screaming out loud the seventh day say it again the seventh day the seventh day the Sabbath day yes now listen very care do you know she but she graduated from my Bible College so that's not fair listen do you know what we graduated over a hundred students from first haris Bible College and um they know this book you don't want to mess with them trust

(02:16) me they know this book front to back but there's a reason that most people cannot answer that question when the Great and Dreadful day of the Lord is they think it's the return of the Lord but that's not the case the great and Dreadful day of the Lord is the seventh day amen and the reason you don't understand the ministry of Elijah is because you believe what Babylon has taught you and you don't know anything about the seventh day and therefore God says before the Dreadful day of the Lord I'm sending Elijah yeah I'll tell you this now and

(03:05) you can mark it down the Lord cannot come back if Elijah don't come back amen come on Amen how many of you know people that's looking for the coming of the Lord amen how many do you know that's looking for the coming of Elijah right nobody no and that's why when he comes you won't recognize him that's why when Elijah comes you won't know it's Elijah he said I'm going to send Elijah before the Millennium Reign amen what is the Sabbath day the Millennium rain why are we here on the Sabbath day today because today

(04:01) represents the great and Dreadful day of the Lord the Millennium rain's going to be beautiful but it's not going to start out beautiful right what's it going to start out with gross Darkness that's why the Sabbath begins at Sunset every day begins at Darkness the day of the Lord begins with darkness that day will be so Dreadful that the Bible said he will have to lift up his skir church because it will be covered in the blood of his enemies now the problem with the church today they know nothing about that day yeah you know why because

(04:46) you're so busy worshiping on the Pope's day you're so busy worshiping on the Pope's Authority that you are clu to Satan has done a masterful job but it's about over there's an awaken happening Satan's done a masterful job of robbing the knowledge of the seventh day from God's people why because it's on the seventh day when the arrest warrant will be served

upon hassatan which is Satan it's on that day when the arrest warrant will be sure there's already an arrest warrant signed in Blood by the Messiah but it's not been
(05:31) served my God but on that dread for p there's going to be a serving of that's what the Feast of atonement is all about Hallelujah I'm going to tell everyone of you watching me around the world live and those of you that's here today if you don't keep the Feast of the Lord you know nothing about the Lord amen hallelujah reach come on now I serve the Lord I'm fourth generation Pentecostal my great great grandmother was at ausa Street there's nobody in this room got more Pentecostal than I do nobody but do you know I was the dumbest
(06:10) preacher for 40 years all I knew was baptism and the Holy Ghost I knew nothing about the word of God come on now let me tell you something and the baptism we preached was even oh let me tell you something I'm going to ask everybody in this room and watching me around the world we have 8,000 followers watches this ministry listen to me carefully and I want to ask you a question what is the evidence that you have the Holy Ghost y'all better be careful before you blurt out an answer say it again say it now hold on it's more than
(06:48) that what is the Bible evidence now listen don't come around here thinking it's speaking in tongues cuz I got witches that speak in tongues amen Hallelujah we got Jezebel speaking T oh yes yeah my cousin came to my house she's part of our ministry she's probably watching now Darlene she said darling I was invited to a church a few weeks ago uh she didn't say darling she said cousin I was invited to a church a few weeks ago and she said I didn't know what kind of church it was she's a nurse she said I walked in and when I walked
(07:29) in the Pastor was a lesbian and it was a homosexual church and she said when I walked in the church she said the power of God was more powerful in that building people being slain in the spirit speaking in tongues from front to back prophesying and she said she said I stood there thinking my God they feel God just like I do let me tell you something you Pentecostals you're in spiritual witchcraft most of you you're caught up in your emotions as long as you feel something you better come out of Babylon and quit looking for a
(08:05) spiritual fixure and find [Applause] truth impressing me years ago I'm not impressed by power on a religion that desires power is a witchcraft religion for but the Bible says you shall have power no it don't that's your problem with your King James Bibles come on oh yeah amen come on oh brother V we shall have power it's not what it says go back and read it again it says you shall have authority there's a difference in power and authority yes yes sir I'm going to show you the difference in power and authority are you ready amen the
(09:00) military has power they got tanks they got nuclear weapons they got bombs that's power but ain't one of them can do nothing with it unless the man with the authority releases the PowerAll Satan's got power but the Bible said I give you Authority PowerAll I give you auor over the [Music] power you want your power seeking Pentecostals you better quit seeking power every church has got it every church has got homosexual leaders power y'all shout now you're not going to shout on this next week you better sit down my God go eat ham while you talk in
(10:09) Tong pork chops and pig feet strange strange FLH oh brother I don't believe I don't care what you believe wow you better go read your Bible sir brother the Bible said first of all don't come with no Bible because you've been reading your you've been under your church teaching yes here's what the Bible said brother the Bible said pray over the food and it'll be clean okay all right yall give me one minute I need a cockroach we going to play over there we going to eat the Bible said all food that was to be received to be prayed over in

(10:54) Thanksgiving baby a cockroach ain't food a snake ain't food a [Applause] f how you going to make holy what God called Unholy yes sir oh I'm going pray over okay somebody bring me a Wier board I'm going pray over and make it a prayer board so ignorant what about the and we love bring me a Ouija board let's just call it a prayer board we going to pray over it you can't make holy what God Said is Unholy that's why you can't married two men I don't care if they get a license at the courthouse or not you can't call said down

(11:55) nowen listen to me if you were to tell me the purpose of your ministry all you preachers as part of this first harvest group I'm going to tell you what they tell you at your church the purpose of your ministry is to save a soul oh that's a lie the devil brother B could just save somebody that's a lie you trying to do the job of the Holy Ghost no man comes to the father unless the Holy Ghost RS that's what it say oh yeah I just got to get somebody sa they going to be as Pentecostal as you are don't do it they going to be as Baptist as you

(12:43) are please don't mess them up let them stay in the world yes yes oh why is that because we can't because we can't never get them to unlearn what you taught them twice child twice F the child of hell that we are now watch brother my job is to save the Lost go back and read your Bible brother I'm a fisher of men you don't know what that means either when that scripture was written they've never seen a fishing pole or bait C the net they catch the net amen over the B we need some f machines in here so we can win the young people if

(13:24) truth don't win young people truth won't win nobody I don't need a fog machine I don't need a light there's somebody that's going to build a church on truth and this church is going to change the world before the coming of yes so what is my job is it not to win the loss the Bible said that no man comes to the father yes unless the Holy Ghost unless he's one of them 10 lost tribes and the the Holy Ghost finds him and brings him in now he may use your preaching to do it but whatever happens it wasn't you it was the Holy

(14:11) [Applause] Ghost so what is the purpose of my Ministry go read your Bible God told the people the leaders of Israel he said you have one job to teach my people the difference between the clean and the unclean [Applause] are Hallelujah that's why I run more people off from church than I've ever one I love running people off because baby if you're not the real church you can be run off if you're not we you can be run offall you know what John said he said if they left us it's because they were never part of us run baby run run baby

(14:57) run why you can't preach this truth hard enough for the real Israel they love the word of Yahweh they love the truth of God it's their food what does that have to do with Elijah read it again before the coming of the Lord I will send you Elijah I'm sending you Elijah the Prophet The Prophet before the coming of the great and Dreadful day of the Lord now where is Elijah he cannot our Lord cannot return without Elijah yes sir go to Isaiah 40 no go go to Matthew 17 And1 everybody still with me we're going to be done by

(15:50) 1:00 in your dreams Matthew 1710 and the disciples asked him saying when then shall the scrib that Elijah must first come see yua they were John was preaching that yesu had come well they knew their Bible they knew the Old Testament they wer like the church they wer New Testament believers they knew the Old Testament see you're going to mess all your new testament Doctrine up if you don't know that Old Testament amen they said how can you come when Elijah must come first read and Jesus answered and said unto them Elijah truly shall come somebody

(16:41) say shall come shall that's future tense so Yeshua is declaring yes Elijah shall come amen but notice what else he said and restore all things what is Elijah coming to do rest restore the name restore baptism restore truth restore your heart back to Israel he's coming to restore yes sir he's coming to jerk you out of every ISM that you're a part of he's coming to restore sir what is the ministry of Elijah to restore oh somebody just heard from the Lord didn't you amen the ministry of Elijah is to restore but before he can

(17:30) restore he had to deal with Jezebel see now read but I say unto you that Elijah is come already whoa whoa whoa whoa whoa the Messiah just said Elijah shall come but then he turns around but I tell you he's come already so he's given us two comings of Elijah amen future and now in his day read and they know they knew him not but they did not know that that preacher that was preaching to them was preaching in the anointing of Elijah he was already here and the church missed [Music] it amen oh Lord when is Elijah coming he

(18:27) says you silly rabbit you silly rabbit Elijah is not a man Elijah is a message yes sir come on Mage yes sir that's right he's coming but he came before I came the first time amen read they listed likewise shall also the son of man suffer of them verse verse 133 but I say unto you that Elijah is come already and they knew him not but have done unto him whatsoever they listen listen to me Israel never recognizes [Music] Elijah wow that's her curse you know why cuz she's looking for him and a big preacher that everybody

(19:32) knows but Elijah slips up on people he comes out of the Backwoods he has no pedigree he has absolutely no backing he has no organization he has nobody that believes in Him amen but when he opens his mouth it causes demons to tremble and SE to get light everybody in this room yall are waiting on the Lord but are you waiting on Elijah on tonight when I ordain you to the ministry I plan to anoint you and ordain you into an Elijah mandate for this generation for this generation amen you are going to open up the way yes for the coming of Our Lord

(20:33) am anybody felt the witness feel the witness read Isaiah 41-5 listen to me Elijah children is here yes yes he's in a little white building today and please don't think I'm talking about me baby uhuh I'm talking about you amen I'm talking about you amen I'm talking about you I'm talking about the collective voices of [Music] truth yes this about me yes oh no this ain't about me if this was about me this thing's going to crumble but if this is about the voice of one crying in the wilderness amen the message it's a Wilderness

(21:28) message it's a Wilderness message why do I want to tell everyone of you today brother I'm not qualified to be Elijah I've got sin in my past I've got mistakes I've got a fail marriage I've got this I want to tell you there's one qualification to be an Elijah mantle Minister are you ready come on you got to be sent to the wilderness isach you got to be rejected yes by religion to be the Voice of Truth yes sir Hallelujah they'll never let you preach this in your church Hallelujah they they'll hate you and love you at the same time yes sir so

(22:25) they'll want to be around you and not want you to be around does that mean sense they'll love you as a person but despise you when you open your mouth you today they will love you and they W put you but but but but they need you to get out of sight and get out of mind from all the other church people they would you shut up right oh they want you to come in and pay your ti see they like that part of the law they don't believe in the rest of the law TI I thought there was no more law why am I paying my [Music] ti go ask a Pentecostal while woman

(23:13) can't wear a pair of slaps and see if they don't go back to the law do the WR hypocrit every one of you hypocrit there's a voice coming it will be hated by religion but loved by those

that desire truth yes sir do you know why some people are ready to get out of this building right now you're not Israel come on Glory yes you're a gentile you love church but you hate Prophets if you've been called to an Elijah Ministry the first proof of it besides the

(24:19) Wilderness there's got to be a jezebel in your life come on you I command every word she has spoken over you to die right now you're free yes from the fear yes I just heard the Lord say you're free from the fear yes no more I know that fear I know that fear What Fear I'll tell you what fear I've not been perfect all my life yes sir years ago I made some mistakes in my life yes sir and Satan has used those mistakes to shut my mouth but baby my mouth bigger than my and I'm about to shout as I ever shout and declare truth to anybody that

(25:19) will listen Jezebel be damned come out of that tree there's no fear like that and you know what I'm talking about there's no fear yes brother B yeah we want to follow you but yeah I can tell you right now my life ain't been as good as your safe pastor's life has yeah cuz I was sent to the Wilderness by God to learn to love his law God shut me down love his stat to send me forth hope you heard me God will shut you down yes he will send you forth oh most high yes he will and when you find Jezebel in your life and most of

(27:04) enemies remember it yes Israel your trespasses are forgiven I'll say it again Israel your trespasses are forgiven why because you allow the Lord to break you yes read the voice of him that CED in the wilderness there's a voice that's going to cry from the Wilderness read prepare ye the way of the Lord and this voice is going to have one message prepare the way of Yahweh amen make straight in the desert a highway for our God his message will be get it straight right read every Valley shall exalt every he'll change he will change

(28:05) everything you're used to your valleys and your mountains your landscape gets changed by The Voice of Truth Glory what do you mean do y'all not think I didn't love Sunday morning church hey that's right you don't think I didn't love it you don't think I didn't love sh doubting and sinning at the same time amen yeah come on now Hallelujah come on come on come on amen amen me tell you preachers can preach living in with an adultery at the same time as they a they can be just as anointed sir oh you don't believe me

(28:47) come on tell the truth right it's called a false anointing amen Strange Fire it looks like the real fire yeah but there's nothing in there that's why good preaching don't impress me truth does when I hear somebody say I just got back from because of well because of the time when I just got back from camp meeting and get back I asked him what did you learn nothing smok all you know is Mickey M and sang real good don't come talking to me about how good the choir was your don't impress me when you're lying to Israel come on

(29:35) now causing them to break the Commandments of God while you're preaching how for them to wear their hair in the right bun when they ain't one scripture in this book about it amen you're a Pharisee talking how long somebody's dress should be while you're eating pork skins out of a bag tell the truth come on Amen Holiness comes from the Commandments of God

Amen and when you get the Holy Ghost you can't help but be holy amen it's it happens on accident read and heal yeah shall be made low every heal will be made low read thank and the (30:27) Crooked shall be made straight yeah the Crooked everybody that's been ordained tonight when you leave this place tomorrow you're going out to straighten up the Crooked places in your world Amen Hallelujah and baby it won't feel good come on now it's going to hurt like it's going to hurt it's going to hurt it's going to hurt hurt but I'm fix to show you why it's worth it read and the rough place is plain somebody say plain I heard somebody say a while ago while I was preaching make it plain amen there's some of us that want it plain

(31:09) amen it's it's like today when I said ain't nobody in this room born again I saw some of you I saw you your um I saw you and that's okay if somebody would have told me that 10 years ago I walked out so y'all did good yes go I knew I was born again I've been baptized baby you got wet don't mean you got baptized just cuz you got wet see I've done all that let me tell you when you come to understand the truth the plainness of the word of God nothing else I need a witness today how many of you been to church after you

(31:53) heard this message and you sit there like oh my God yeah [Music] you hear what they're preaching yesterday's message a Pentecostal message from the Pentecostal age a yesterday message we're moving out of Pentecost we're moving into Tabernacles we're Ming from The Saul anointing to the David anointing it's a new day I said it's a new season it's a new message going forward get on board I'm begging you get on board yes help us build this work help us build this work I want to teach you later today how to get your ministry on

(32:36) YouTube how to get your everybody out here if nobody will listen to you preach I'm going to teach you how to put your message in front of them when they can't even help it Hallelujah I got people so mad at me they be just trying to scroll their timeline and I keep popping up it's true I learned how to outsmart the devil you going to hear this message you going to hear it because one night you going to hear it and something's going to happen you're going to get a phone call from somebody like this man called me a month

(33:11) ago was it was it a month ago I want to tell every one of you men here something you ladies of God one phone call has changed all of our Lives come on now amen amen amen today starts the begin of the rest of our Ministries am and had you not obeyed the Holy Ghost and made one phone call amen was it a phone call or a text it was a phone call phone call and you're surprised I answered I don't do phone calls I do text all right now I don't answer people's calls too much drama when you deal with people you deal with drama come on and I don't do

(33:51) drama that's why I can't Pastor I don't do drama so God help you pastors Hallelujah the first time they tell they don't like something I tell them to leave amen get I own two car lots I don't need your money baby bye brother mcllin God just spoke to me and said he's going to set you up financially so you're free to obey Yahweh amen you're not going to need anybody's money to support your work I see an influx of money coming your way whatever business you're involved with and I don't even know what it is but in the next seven months

(34:34) you're going to see oh I see a home I see something in the Holy Ghost that God's fixing to open up wide for you get ready for it you're going to be free from people you're going to be able to preach and pay people to come hear [Applause] you hallelujah hallelujah sister five you're going to have trouble in your pregnancy see the enemy is going to attack you but God said to tell you that everything is going to be fine hallelu hallelu you have stood in this battle right here like he has you have protected you have stood against but God

(35:18) said to tell you the strength is here today oh the weakness is over amen this is the moment I feel of the Holy Ghost of a shifting and a transitioning of everything I speak to this area around this property yay there was three women that have stood on this property and cursed this property I can describe what they look like to you with their fake hair listen to me they have stood on this property and they have cursed it they have claimed it for themselves but as the prophet of God I declare this property is the property of

(35:54) Yahweh it is the property of Yahweh belongs to him and no one will take it from you would somebody agree with me on the Holy Ghost Hallelujah we got to qu we got to get we got to move fast now God calls Elijah to prepare the way of the Lord yes sir what is the spirit of Elijah Jesus I want to teach all of you something there's two words in your Bible that will mess you up Sister five don't have no fear don't let that bring fear upon you that's the word of the Lord everything's going to be fine Hallelujah but you will know the

(36:44) word of the Lord when you hear the reports just trust the Lord now listen to me carefully and I say that because anytime you start moving in the direction God made me bring yall here and anytime you begin to move in the direction of your Destiny Satan always goes for your seed that's no true now many of you in this room there's two words in the Bible that you need to change in your mind when you see the word heart and spirit the word heart is a bad translation and the word spirit is a bad translation come on now it is the Mind

(37:25) amen so when the Holy Ghost said he would write his law on your heart he will write it in your mind think now what's another word for mind your thinking come on now the spirit of Elijah another word for Spirit that's better than spirit is the mind because the Bible said if this mind that was in Christ dwell in you the holy spirit is the holy mind see when the Holy Ghost comes in he doesn't come oh I didn't even answer the question the proof of the Holy Ghost he does not come to give you power over anything but

(38:08) yourself God the Bible said when the spirit of the Holy Ghost comes he will lead you and guide you into all that's the evidence of the Holy Ghost if somebody says we had church but the preacher didn't get to preach what they said is I don't want truth I don't love truth I like church I don't like truth come on you ain't have the Holy Ghost for somebody brings the word for it amen I can go to the night club and have a good time that's right amen all all you got to do to have a good time you ain't really need the

(38:45) Holy Ghost for this what turn me off I was going to show you that's all you got to do turn if I was on all you need is a little music at the nightclub or the church that's all you need that's right to have a good time people don't want a they don't want truth they want a good time but when you get the real Holy Ghost yes sir you're stay here all day long amen you be like I ain't tired yet amen I ain't tired yet I ain't tired yet see but when you like church I'm going to prove to you right now who you are when you like church youve got a

(39:21) time limit yeah come on church is supposed to last 2 hours but truth is marching on it marches it marches and you march with it Hallelujah now let's bring this thing home now listen you're going to be called to prepare the way the spirit of Elijah somebody say the other word for spirit is you're not you're you're going to have the mind of Elijah thank I'm glad I'm glad you call you're going to think like Elijah yeah yes sir you're going to work like Elijah amen you're going to preach like Elijah Hallelujah if you want to know if you're

(40:12) under an Elijah anointing just go see how Elijah preached and you'll know all right that's right the spirit of Elijah is the mindset of Elijah that changes people now what is that word

prepare the way of the lord it's very simple go to acts 3:21 now when we say we're going to prepare the way of the Lord the word prepare in Hebrew is pan and it means to turn what does the way mean way is Hebrew for direct which is where we get our word directions from all right those of you that's under the Elijah anointing you will be turning

(41:04) people back to the right direction amen amen that's how you prepare the way of the Lord you turn people back to the direction what direction oh brother Von we need to get them down to the altar that ain't the direction I'm talking about come on now I know how to do the altar I can do the altar with the Holy Ghost or without it show you the best way to do it yes I'm going show you the direction everybody follow me when you're prepared in the way of the Lord I'm going to show you the pad direct Hebrew for preparing the way

(41:41) turning their Direction wow right there amen hallelujah especially number four all right that's how you prepare the way of the Lord you turn the direction of the church what direction away from Babylon back to Israel come on now what is the spirit of Elijah going to do stay with me now it's going to turn the hearts of the fathers children turn didn't he say he's going to prepare the way didn't he just say he's going to turn didn't I just tell you prepare is to not turn he's going to turn the direction or the everybody's going to

(42:36) turn the hearts that sounds so beautiful thank you the thank you come on I just gave you more truth in that one line then you'll hear in church for a whole Elijah is coming to change your thinking and I ain't talking about all positive thinking I'm talking about Bible thinking commandment thinking baby sing cig can get you thinking positive and every Prophet Prophet as I know of always talking to me about speaking positive while they breaking the fourth Commandment sir my God your prophecies don't impress me your Holy Ghost don't impress me (43:21) nothing impresses me but truth amen why because it's a rare Jewel and very few have it and very few want it amen yes sir amen if you're a commandment breaker you are a sinner amen that's true yes Grace don't cover that let's do this real quick some of y'all that watch my YouTube you you understand this come here Elder come here Elder come here elder brother come here I'm going to show you something now everybody real quick sister would you come I just want to show you a demonstration because we got people watching I want to show y'all something

(43:58) everybody in the church tells us that the Commandments the law is done away with we're going to deal with that in the next lesson we're going to get on the screen and break it down this here is an illustration of what a lie that is this brother this brother right here we're going to call him a sinner this brother right here is Grace this brother right here is the law this brother right here is the church and this sister right here is the preacher everybody stay with me now according to the Bible some of you preachers tell me

(44:33) the Bible definition of sin where are y'all getting that verse from good y'all doing good so when somebody says I'm a sinner they need to change that word that's a pretty word get rid of that if you're not a sinner you're a commandment breaker Lawless you're Lawless amen You' believed the the minutia of your church you're Lawless the Bible said that the meaning of sin is not trimming your hair and it's not high heels and it's not long or short sleeves baby oh my God now that might be good instruction but that

(45:15) ain't Holiness the very people preaching it tell you the law is done away with yes sir they say they say somebody say they say they say they say in the church all Sinners bring them in and let's get them saved I got one question the next time somebody says that I beg you

preachers that's under this ministry to ask them one question one question if they say we going to get some Sinners saved tonight say from [Music] what come on now what you going to save them from the Bible the angel told Mary yua was coming to save them from their
(46:08) sins which is the transgression of the law what do you oh I know why you want to get saved you want to go to heaven get that out of your mind too come on now I don't want to go to hell get that out of your mind come on now if you're coming down here to get saved from hell you didn't get saved yes right I don't want to go to hell of course you don't you're selfish it's all about you yeah self if you get somebody saved for heaven or hell you'll have to keep them saved because of Heaven or Hell all right now somebody says I want to get saved
(46:47) say from what from Hell say wrong preacher go find go find the B preacher that's right Godly sorrow Works what repentance thank you what are you sorry for come on you sorry you're going to hell wrong come on I'm sorry I broke your law I'm sorry I realize I broke your law amen I'm a sinner because I'm a law breaker I don't keep the Sabbath I go to church on the pop Day come on come on now come on yes sir them Commandments mean nothing to me I changed them it's the nine Commandments you're a sinner you're a sinner when you break
(47:47) the Commandments I don't care if you're a tongue talker you're a sinner laughing all day long boys I don't care if you're a tongue talker you're a sinner this man is a sinner because he broke the law now the only reason he needs Grace is if he broke La now somebody said we're under grace okay before you show your ignorance any further you need you don't even need Grace come on now God you don't even need it right because the law was done away with why do you need grass right so the next time somebody says brother Von we're not under the law
(48:43) said then we're not under grace because one without the other love and marriage together like a horse and carage [Music] faith without works is demonic Law Without Grace is demonic Grace without the law is demonic sir so this brother wants to get saved from what from breaking breaking command the Commandments of God now the problem with that is people don't know what law we're talking about when you come to the next session we're going to show you what law we're going to break it down what laws we're to keep and which ones were not
(49:28) it's going to change your life amen okay amen but this brother's a law breaker he needs Grace because he broke the law so here's what we're going to do we're going to send we're going to do like the church though we're going to send you home go sit down wait no no your grace your love we're going to send you home now the church every one of y'all go to every one of y'all the church you go to they preach what I'm telling you that's and you still pay your ties there Fe the Liars amen I'm going to edit that part out oh
(50:03) but I'm not glory to God now the longer exist so guess what we don't need you no more you can go home there goes Grace now you my brother since there's no law for you to break and the only way you can be a sinner is if there's a law you're we no longer a sinner so we going to cancel the Revival we we don't need get nobody saved cuz there's no more Sinners how can you sin if there's no more law amen so matter of fact let's just be Universalist everybody Sav go home go home all right we've gotten rid of all the sinners now you
(50:46) cancel the Revival and save the money and send it to me now the church why do we need a church now if the if the purpose is to save Sinners first of all that ain't the purpose of the church the purpose of the church is to instruct Saints somebody said the church is a hospital for the hurt no it's not it's a hotel for those that are learning Holiness amen yes sir oh brother Bon

it's a hospital for the Hur no no when the church goes out that's right you're for the hurting yeah that's right here it's Saints you don't believe me don't make

(51:32) me turn the book out on you Ephesians chapter 4 don't make me go there and show you why God gave you a pastor right and an apostle and a prophet and an evangelist don't make me show you why he did it wasn't to save [Music] nobody it was to get you mature it's for the maturing of Dum saints come on now brother Bon if you would just try to reach more Sinners and and do what with them I can't make them sorry they broke God's Commandments only the Holy Ghost can do that so now we're going to shut the church down church and now the church shut down

(52:19) preachers out of the job no more [Laughter] M all right now that's so true the whole church falls when you foret the law out no need for a church no need for the church but when the spirit of Elijah comes we're going to straighten people's thinking out we're going to turn them back to Israel Ephraim back to his brother and to her sister we're going to straighten it out now let's finish this up I've said that 12 times let's finish this up how does God change people listen and I'm done he never changes he uses the same Ministry

(53:04) of Elijah every time he gets ready to change his people the first time was the first time I'm going to talk to you about four comings of Elijah real quick the first time was whenever all of Israel stay with me I'm almost done had turned their back from the Commandments do you know how is Israel turned their back from the Commandments it wasn't because they wanted to oh no no no no it was because of a woman [Music] preacher and I love women in Ministry but stay with me my grandma's the best stay with me it was because of a woman preacher

(53:53) that married the king of Israel his name was Ahab and hers was Jezebel [Music] come on brother B how do you know she was a preacher her father was King Kul which was the high priest of aarte who was aarte ishar which is where you get is from she was an Easter loving preacher uhhuh don't be scared nobody I'm not going to preach on that right now Jezebel was the daughter of Fel she was the protector of church as usual all right man her father was the pastor of the local church and she was a preacher in that church yes she

(54:42) was she was worshiping the Queen of Heaven all right right oh brother V Nobody Does that today really come on now really you ever hunted for a covered Easter egg you worship the Queen of Heaven every time you do it you know what's so funny we tell everybody bring your children to the church so they can learn truth and the first thing we teach him is that rabbits lay eggs Mo bring us your children so we can tell them that there's a Santa Claus going to come down their chimney and you wonder what's wrong with God's church and why the glory has

(55:26) Departed it's because you turned it into the worship of the Queen of Heaven yes there's no Holiness left in the church but there's a return of Elijah and he's about to make people so mad he's about to make people so mad they going to get out or they going to get in come on listen I'm trying to close this down but y'all won't let me listen Jezebel married the leader of the House of Israel and when she did she brought her church ways with her and Jezebel built churches all over Israel that's true she named them this and that they

(56:17) were listen to me carefully they were all wor shippers I heard the word say in vain do you worship me they were worshippers theyers the scariest thing in this church world today is trying to discern the shaft from the wheat and the tears from the wheat because they're all growing together that's true they shout alike they preach alike they talk in tongues alike they

prophesy alike who really loves the Lord watch this I'm going to show you Jezebel built churches all over Israel and she loved church that's right she had 4,000

(57:04) preachers she had the big organization she moved them all to Hazel moved them all to I'm sorry I'm trying to think she had the biggest group in town and they loved having Church shout all night Jezebel loves church but hates truth hates it yes sir and she can convince the leaders of Israel you better hear the men of God speak she speaks to the leaders of Israel and asks them why do you want to be strange Ahab yeah your God yah has all these Commandments but the Queen of Heaven is about joy and peace and happiness and good morning Holy

(58:09) [Music] Spirit Jezebel don't like that masculine God no I hope you just heard no Jezebel don't like that masculine God the one that makes demands upon his people she likes the Holy Spirit the feminine side of God she SS you know that book y'all got by Ben hint good morning Holy Spirit you better throw it out your house that's called worshiping the Holy Spirit baby there's one God his name is Yahweh I didn't get no amens amen we don't worship the Holy Spirit come on now that's a third God of a Catholic Trinity on we worship

(59:06) y here oh Israel the Lord our God is one am we don't have a feminine God that let you mama let you get M with everything but Dy beat your he will yes sir Hallelujah this church world worships the Holy Spirit the Queen of Heaven it's even that way in our Pentecostal church it's all about the Holy Ghost let me tell you something come on you better be careful amen when you don't even want to know the name of that God come on but you want a generic word like holy spirit come on you and they got no business preaching

(59:56) in an Elijah Ministry Yahweh somebody say Yahweh yah that's our God that's our God that's Israel's God that's his law that's his law we live by it we preach it and we're turning the minds my God hallelujah hallelujah my God hallelujah my God my God hallelujah Jezebel converted Israel to normal worship but here came Elijah read Revelation 2 and 20 brother Bon that was in that day really all right now nothing yes it is Revelation 2 and 20 neveress never the this is just before the great and Dreadful day of the Lord

(1:00:50) this is just for the seventh trumpet this is in the sixth day read not withstanding m i Am have a few things against thee uhhuh because thou suffer thy woman Jezebel which call herself a prophetess to teach and to seduce my servants to commit fornication to eat things sacrific unto Idol oh did you say this woman preacher is going to be telling my people they can eat whatever they want to eat yes sir drop the mic in the last day that same Spirit of Jezebel is coming back to Israel yes and she's going to convince you preachers and

(1:01:37) after this meeting's over your preachers are all going to try to convince you that's Jezebel I don't care how much you love them you better recognize you better learn to tell the difference in the spirit and the person right you better learn to hear that Spirit when they say but that causes so much confusion let me tell you what Jesus said he said don't think I came to bring peace I came to bring the sword I came to separate mama from her daughter I came to separate everybody I came to separate the cars from the

(1:02:06) we let me tell you it's still holding this for hell it's tight and it's right we must watch out for this woman why she's in our churches today she's saying what is what is her message she teaches she teaches my people with her Joy by herself lesbianism standing right there in God's pull pit sir I don't care if you like me or not I don't need a d you got I'm a man of God and you

can't deal with it that's your problem come on somebody we're coming to clean up the church we're coming to turn the minds of the children back to the fathers of

(1:02:51) Israel sir Hallelujah notice what she's teaching fornication spiritual fornication what is hold on hold on where's it at what what what's number number seven thou shall not what what is this woman preacher teaching the church it's okay to break the commands you got the holy these are demon powers I'm preaching it because I love you I may not ever get to see you I could drop dead on my way home but I'll face God saying I told him about this woman Jezebel yes sir yes yes listen to me Thou shalt not commit adultery but she

(1:03:36) says you can amen cuz she you know why she says it and you believe it cuz God knows your heartul wicked yeah baby he knows with your shackled up self he knows your heart that's right you don't you don't want to submit to nobody you got a Ministry out there running wild because you don't have an apostle in your life somebody that'll bring you truth and keep you on the right track yes sir and then she tell the church and by the way go ahead and eat whatever you want to eat because it's you're under freedom and liberty

(1:04:17) now all right I'm trying to teach you preacher something this spirit's never died she hates you you want to prove I going prove it to you and I'm done I'm going to prove to you that she hates Yahweh walk into your church this whenever you go this Sunday whenever you want to go and walk in there and say praise y get tight on you real quick they'll try to cash demons out of you yeah that's right and then get up in the praise and worship and sing Jes how I love the name how I love the name I just tried to tell you the name what a beautiful name

(1:07:44) anger what did he tell Jeremiah I'm angry with the house of Israel because they have forsaken my Sabbath I pray that right now as my wife comes to the piano I pray that right now the anointing of Elijah will fill this room and shettle upon every man and woman of God right now today I release upon your lives the anointing of Elijah your ministry will be different yes your Ministries will be different yes God has called you to prepare the way yes turn my people back yes as we close the word of the Lord has already gone forth through tongues and

(1:08:48) interpretation to confirm his word the second coming of Elijah was Elisha the Bible said he got a double portion what did Elijah do hold on before he killed I want to show you can I show you just a moment can I show you why I'm mad when Elijah confronted Jezebel do you know the next thing he did after fire fell from heaven he killed 400 preachers he cut head off or cut their message off that's right that's right that's right brother Bon don't be so harsh use more wisdom take your wisdom back to hell where you said it came

(1:09:38) from we're in a different day now baby T the garden over with we're raising up an army of Elijah and they're going forth these are the days of going for to tear off the voices of the F just he killed 400 preachers and then you know what he did he went and tore down their churches yes yes he their altars that was their church he took there he took and the Bible said he Elijah don't be so harsh Jesus is Love he said you don't know what love means don't be so harsh man of God you'll offend people I pray I do Glory if I haven't offended you I not

(1:10:39) preached to you amen amen every one of you ministers don't and I'm going to say this and please I'm begging now I'm in a different realm now than my regular realm don't let your wife become your Jezebel telling you to quieten down come on I command Deliverance right now in your house amen put your hands on him somebody I just fell the holy ghost in the might Holy Ghost hallelujah hallelujah hallelujah [Music] to the [Music]

(1:32:40) Malachi 4 verse 5 through verse 6 would you stand for the reading of the word of the Lord behold I will send you Elijah the prophet before the coming of of the great and Dreadful day of the Lord verse six and he shall turn the heart of the fathers to the children and the Heart of the children to their fathers least I come and smite the Earth with a curse well let's pray Almighty Yahweh please use your vessel right now to bring forth the word that's destined for this hour I pray that you use the lips of the unprofitable servant

(1:33:27) to speak the Divine mandates of the kingdom of the almighty in the name of yesu we pray and father I take authority over every spirit in this house over every negative Spirit over every Jezebel spirit I come against you as the prophet of God and I declare you to be submitted to the word of God and correct Ed by the word of God in the name of Yeshua and everyone said amen amen you can be seated read it one more time for those that didn't quite understand it behold I will send you Elijah the prophet before the coming of the great and Dreadful day

(1:34:10) of the Lord amen you may be seated now let me ask every one of you a question when is The Great and Dreadful day of the Lord anybody know screaming out loud the seventh day say it again the seventh day the seventh day the Sabbath day now listen very carefully do you know she but she graduated from my Bible College so that's not fair listen do you know what we graduated over a hundred students from first Harvest Bible College and um they know this book you don't want to mess with them trust me they know this book front

(1:34:51) to back but there's a reason that most people cannot answer that question when the Great and Dreadful day of the Lord is they think it's the return of the Lord but that's not the case the great and Dreadful day of the Lord is the seventh day amen and the reason you don't understand the ministry of Elijah is because you believed what Babylon has taught you and you don't know anything about the seventh day and therefore God says before the Dreadful day of the Lord I'm sending Elijah yeah I'll tell you this now and you can mark

(1:35:39) it down the Lord cannot come back if Elijah don't come back amen come on Amen how many of you don't people that's looking for the coming of the Lord amen how many do you know that's looking for the coming of Elijah right nobody no and that's why when he comes you won't recognize him that's why when Elijah comes you won't know it's Elijah he said I'm going to send Elijah before the millennium rain amen amen what is the seventh day the Millennium rain why are we here on the Sabbath day today because today represents the great and Dreadful day of

(1:36:39) the Lord the the Millennium rain is going to be beautiful but it's not going to start out beautiful what's it going to start out with gross Darkness that's why the Sabbath begins at Sunset every day begins in darkness the day of the Lord begins with darkness that day will be so Dreadful that the Bible said he will have to lift up his skirt because it will be covered in the blood of his enemies now the problem with the church today they know nothing about that day yeah you know why because you're so busy worshiping on the Pope's

(1:37:22) day uh oh you're so busy worshiping on the Pope's Authority that you are clu to Satan has done a masterful job but it's about over there's an Awakening happening sat Satan's done a masterful job of robbing the knowledge of the seventh day from God's people why because it's on the seventh day when the arrest warrant will be served upon hassatan which is Satan it's on that day when the arrest warrant will be sh there's already an arrest warrant signed in Blood by the Messiah but it's not been served my God Messiah but on that

(1:38:09) Dreadful day there's going to be a serving of that's what the Feast of atonement is all about Hallelujah I'm going to tell every one of you watching me around the world live and those of you that's here today if you don't the Feast of the Lord you know nothing about the Lord amen hallelujah reach come on now I serve the Lord I'm fourth generation Pentecostal my great great grandmother was at ausa Street there's nobody in this room got more Pentecostal than I do nobody but do you know I was the dumbest preacher for 40 years all I knew was

(1:38:46) baptism and the Holy Ghost I knew nothing about the word of God come on now let me tell you something and the baptism we preached what Me Oh My My let me tell you something I'm going to ask everybody in this room and watching me around the world we have 8,000 followers watches this ministry listen to me carefully and I want to ask you a question what is the evidence that you have the Holy Ghost y'all better be careful before you blurt out an answer say it again say it now hold on it's more than that what is the Bible

(1:39:26) evidence now listen don't come around here thinking it's speaking in tongues cuz I got witches that speak in tongues amen hallelujah we got Jezebels that speak in Tong oh yes my cousin came to my house she's part of our ministry she's probably watching now Darlene she said darling I was invited to a church a few weeks ago uh she didn't say darling she said cousin I was invited to a church a few weeks ago and she said I didn't know what kind of church it was she's a nurse she said I walked in and when I walked

(1:40:03) in the pastor was a lesbian and it was a homosexual church and she said when I walked in the church she said the power of God was more powerful in that building people being slain in the spirit speaking in tongues from front to back prophesying and she said she said I stood there thinking my my God they feel God just like I do let me tell you something you Pentecostals you're in spiritual witchcraft most of you you're caught up in your emotions as long as you feel something you better come out of Babylon and quit looking for a

(1:40:38) spiritual F truth come [Applause] on Serv impressing me years ago I'm not impressed by power come on a religion that desires power is a witchcraft religion brother but the Bible says you shall have power no it don't that's your problem with your King jambles come on oh yeah amen it come on over brother we shall have power it's not what it says go back and read it again it says you shall have authority there's a difference in power and authority yes sir I'm going to show you the difference in power and authority are you ready amen the military has

(1:41:34) power uhuh they've got tanks they've got nuclear weapons they got bombs that's power but ain't one of them can do nothing with it unless the man with the authority releases the power Hallelujah sh got power but the Bible said I give you Authority power I give you authority over the [Music] power you want your power seeking Pentecostals you better quit seeking power every church has got it every church has got homosexual choir leaders and power come on come on y'all shout now you're not going to shout on this next week you better sit

(1:42:34) down my God go eat H while you talk in Tong por chop and pig feet strange strange oh brother M I don't believe I don't care what you believe wow you better go read your Bible yeah yes yes sir the Bible said first of all don't come with no Bible because you've been reading your you've been under your church teaching here's what the Bible said brother B the Bible said pray over the food and it'll be clean okay all right y give me one minute I need a cockroach we going to PR over there we going to eat it the Bible said all food that was to

(1:43:23) be received to be prayed over in Thanksgiving baby a cockroach ain't food a snake ain't food a pig ain't [Applause] food how you going to make holy what God called Unholy sir yes sir oh I'm going pray over okay somebody bring me a wi you more I'm going to pray over and make it a prayer Bo so ignorant what about the sheep and we love it bring me a Ouija board let's just call it a prayer board we going to pray over it you can't make holy what God Said is Unholy that's why you can't married two men I don't care if they can get a

(1:44:16) license at the courthouse or not you can't call Holy God call H he said down listen to me if you were to tell me the purpose of your ministry all you preachers as part of this first harvest group I'm going to tell you what they tell you at your church the purpose of your ministry is to save a soul oh my that's a lie the devil brother B can just save somebody that's a lie you trying to do the job of the Holy Ghost no man comes to the father unless the Holy Ghost R what it oh yeah I just got to get somebody sa they going to be as

(1:45:08) Pentecostal as you are don't do it they going to be as Baptist as you are please don't mess them up let them stay in the world yes oh why is that because we can't because we can't

never get them to unlearn what you taught them twice fold child twice fold the child of Hell than we are now watch brother my job is to save the Lost go back and read your Bible brother I'm a fisher of men you don't know what that means either when that scripture was written they've never seen a fishing pole or bait cast a net they cast a net amen MH

(1:45:54) over the B we need some fog machines in here so we can win the young people if truth don't win young people truth won't win nobody I don't need a fog machine I don't need a light there's somebody that's going to build a church on truth and this church is going to change the world before the coming of Yesa so what is my job is it not to win the lost the Bible said that no man comes to the father unless the Holy Ghost unless he's one of them 10 lost tribes and the the Holy Ghost finds him and brings him in now he may use your

(1:46:38) preaching to do it but whatever happens it wasn't you it was the Holy [Applause] Ghost so what is the purpose of my Ministry go read your Bible God told the people the leaders of Israel he said you have one job to teach my people the difference between the clean and the unclean the holy and the [Applause] Unholy Hallelujah that's why I run more people off from church than I've ever won I love running people off because baby if you're not the real church you can be run off if you're not we you you know what John said he said if

(1:47:24) they left us it's because they were never part of us run baby run run baby run why you can't preach this truth hard enough for the real Israel they love the word of Yahweh they love the truth of God it's their food what does that have to do with the Elijah read it again before the coming of the Lord I will send you Elijah I'm sending you Elijah the Prophet The Prophet before the coming of the great and Dreadful day of the Lord now where is Elijah he cannot our Lord cannot return without Elijah go to Isaiah 40 no go go to

(1:48:19) Matthew 17 and 10 everybody still with me we're going to be done about 1:00 in your dreams Matthew 17 10 and the disciples asked him saying when then shall the scribe that Elijah must first come see you they were John was preaching that yesu had come well they knew their Bible they knew the Old Testament they was like the church they weren't New Testament believers they knew the old test see you're going to mess all your new testament Doctrine up if you don't know that Old Testament amen they said how can you come when Elijah must come first

(1:49:06) read and Jesus answered and said unto them Elijah truly shall first come somebody say shall come shall that's future T So Yeshua is declaring yes if Elijah shall come amen but notice what else he said and restore all things what do Elijah coming to do rest restore the name restore baptism restore truth restore your heart back to Israel he's coming to restore yes sir sir he's coming to jerk you out of every is that you're a part of he's coming to restore sir what is the ministry of Elijah to restore ah somebody just heard from the

(1:49:57) Lord didn't you the ministry of Elijah is to restore but before he can restore he had to deal with Jezebel see now read but I say unto you that Elijah is come already whoa whoa whoa whoa whoa the Messiah just said Elijah shall come but then he turns around but I tell you he's come already so he's given us two comings of Elijah amen future and now in his day read and they know they knew him not but they did not know that that preacher that was preaching to them was preaching in the anointing of Elijah he was already here and the church missed it

(1:50:54) [Music] oh Lord when is Elijah coming he says you silly rabbit you silly rabbit Elijah is not a man Elijah is a message yes sir message yes sir that's right he's coming but he came before I came the first time amen read they listed likewise shall also the son of man suffer of

(1:56:46) Ministry the first proof of it besides the wilderness there's got to be a jezebel in your life I command every word she has spoken over you to die right now you're free yes from the fear yes I just heard the Lord said you're free from the fear yes yes no more yes I know that fear I know that fear What Fear I'll tell you what fear I've not been perfect on my life yes sir 10 years ago I made some mistakes in my life yes sir and Satan has used those mistakes to shut my mouth but baby my mouth's bigger than mych and I'm about to shout as as I

(2:04:28) there like oh my [Music] God you hear what they're preaching yesterday's message sir amen a Pentecostal message from the Pentecostal age a yesterday message we're moving out of Pentecost we're moving into Tabernacles we're moving from The Saul anointing to the David anointing it's a new day I said it's a new season it's a new message for get on board I'm begging you get on board help us build this work help us build this work I want to teach you later today how to get your ministry on YouTube how to get your everybody out

(2:05:13) here if nobody will listen to you preach I'm going to teach you how to put your message in front of them when they can't even help it Hallelujah I got people so mad at me they be just trying to scroll their timeline and I keep popping up it's true true I learned how to outsmart the devil you going to hear this message you going to hear it because one night you going to hear it and something's going to happen you're going to get a phone call from somebody like this man called me a month ago was it a month ago I want to tell every one

(2:05:49) of you men here something you ladies of God one phone call has changed all of our Lives come on now amen amen amen today starts the beginning of the rest of our Ministries amen and had you not obeyed the Holy Ghost they make one phone call amen was it a phone call or a text it was a phone call phone call are you're surprised I answered I don't do phone calls I didn't text all right now I don't answer people's calls too much wrong when you deal with people deal with drama come on and I don't do drama that's why I can't Pastor I don't

(2:06:27) do drama so God help you pastors Hallelujah the first time they tell me they don't like something I tell them to leave amen I own two car lots I don't need your money baby bye brother mclln God just spoke to me and said is going to set you up financially so you're free to obey Yahweh amen you're not going to need anybody's money to support your work I see an influx of money coming your way whatever business you're involved with and I don't even know what it is but in the next seven months you're going to see oh I see a home I

(2:07:11) see something in the Holy Ghost that God's fixing to open up wide for you get ready for it you're going to be free from people you're going to be able to preach and pay people to come hear you [Applause] hallelujah hallelujah sister five you're going to have trouble in your pregnancy the enemy is going to attack you but God said to tell you that everything is going to be fine huah you have stood in this battle right here like he has you have protected you have stood against but God said to tell you the strength is here

(2:07:54) today oh the weakness is over this is the moment I feel of the Holy Ghost of a shifting and a transitioning of everything I speak to this area around this property yay there was three women that have stood on this property and cursed this property I could describe what they look like to you with their fake hair listen to me they have stood on this property and they have cursed it they have claimed it for themselves but as the prophet of God I declare this property is the property of Yahweh it is the property of yah that belongs to him

(2:08:33) and no one will take it from you but somebody agree with me the Holy Ghost Hallelujah we got to we got to get we got to move fast now God calls Elijah to prepare the way of the Lord yes sir what is the spirit of Elijah Jesus I want to teach all of you something there's two words in your Bible that will mess you up Sister five don't have no fear don't let that bring fear upon you that's the word of the Lord everything's going to be fine Hallelujah but you will know the word of the Lord when you hear the reports just trust the Lord now listen

(2:09:22) to me carefully and I say that because anytime you start moving in the direction God made me bring yall here and anytime you begin to move in the direction of your destiny Satan always goes for your seed that's no true now many of you in this room there's two words in the Bible that you need to change in your mind when you see the word heart and spirit the word heart is bad translation and the word spirit is a bad translation come on now it is the Mind amen so when the Holy Ghost said he would write his law on your heart he

(2:10:04) will write it in your mind well think now what's another word for mind you're thinking come on now the spirit of Elijah another word for Spirit that's better than spirit is the mind because the Bible said if this mind that was in Christ D in you the holy spirit is the holy mind see when the Holy Ghost comes in he doesn't come oh I didn't even answer the question the proof of the Holy Ghost he does not come to give you power over anything but yourself God the Bible said when the spirit of the Holy Ghost comes he will lead you

(2:10:49) and guide you into all true that's the evidence of the Holy Ghost if somebody says we had church but the preacher didn't get to preach what they said is I don't want truth I don't love truth I like church I don't like truth come on you ain't have the Holy Ghost for somebody brings the word forth amen I can go to the nightclub and have a good time that's right amen all all you got to do to have a good time you ain't really need the Holy Ghost for this what you turn me off I was going to show you that's all you

(2:11:23) got to do turn if I was on all you need is a little music at the nightclub or at the church that's all you need to have a good time people don't want a they don't want truth they want a good time but when you get the real Holy Ghost yes sir you'll stay here all day long amen you be like I ain't tired yet amen I ain't tired yet I ain't tired yet see but when you like church I'm going to prove to you right now who you are when you like church you've got a time limit yeah come on church is supposed to last two hours but truth is marching on it

(2:12:02) marches it marches and you march with it Hallelujah now let's bring this thing home now listen you're going to be called to prepare the way the spirit of Elijah somebody say the other word for spirit is you're not you're you're going to have the mind of Elijah thank I'm glad you C you're going to think like Elijah oh yeah yes sir you're going to work like Elijah amen you're going to preach like Elijah Hallelujah if you want to know if you're under an Elijah anointing just go see how Elijah preached and you'll know

(2:12:51) all right that's right the spirit of Elijah is the mindset of Elijah that changes people now what is that word prepare the way of the Lord yes it's very simple go to acts 3:21 now when we say we're going to prepare the way of the Lord the word prepare in Hebrew is pan and it means to turn ter what does the way mean way is Hebrew for direct which is where we get our word directions from all right those of you that's under the Elijah anointing you will be turning people back to the right direction amen amen that's how you prepare the way of

(2:13:45) the Lord you turn people back to the direction what direction oh brother Von we need to get them down to the altar that ain't the direction I'm talking about come on I know how to do the altar I can do the altar with the Holy Ghost to without it show you the best way to do it yes I'm going to show you the direction Everybody follow me when you're preparing the way of the Lord I'm going to show you the panad pad Hebrew for preparing the way turning their Direction wow right there amen hallelujah especially number

(2:14:28) four all right that's how you prepare the way of the Lord you turn the direction of the church what direction away from Babylon back to Israel come on now what is the spirit of Elijah

going to do Stay With Me Now going to turn the hearts of the fathers children turn didn't he say he's going to prepare the way didn't he just say he's going to turn didn't I just tell you prepare is to not turn he's going to turn the direction or the everybody's going to turn the hearts that sounds so beautiful thank you the thinking come on I just

(2:15:16) gave you more truth than that one line than you'll hear in church for a whole no GL Elijah is coming to change your thinking and I ain't talking about Joel oin positive thinking I'm talking about Bible thinking commandment thinking baby s cig can get you thinking positive and every Prophet prophetess I know of always talking me about speaking positive while they breaking the fourth Commandment yes sir my God your prophecies don't impress me your Holy Ghost don't impress me nothing impresses me but truth amen why because

(2:15:59) it's a rare Jewel and very few have it and very few want it am yes sir if you're a commandment breaker you are a sinner amen that's true yes sir Grace don't cover that let's do this real quick some of y'all that watch my YouTube you you understand this come here Elder come here Elder come here elder brother come here I'm going to show you something now everybody real quick sister would you come I just want to show you a demonstration because we got people watching I want to show y'all something everybody in the church tells us that

(2:16:35) the Commandments the law is done away with we're going to deal with that in the next lesson we're going to get on the screen and break it down this here is an illustration of what a lie that is this brother this brother right here we're going to call him a sinner this brother right here is Grace this brother right here is the law this brother right here is the church and this sister right here is the preacher everybody stay with me now according to the Bible some of you preachers tell me the Bible definition of

(2:17:10) sin where y'all getting that verse from good y'all doing good so when somebody says I'm a sinner they need to change that word that's a pretty word get rid of that if you're not a sinner you're a commandment breaker Lawless you're Lawless amen you've believed the the minutia of your church you're Lawless the Bible said that the meaning of sin is not trimming your hair and it's not high heels and it's not long or short sleeves baby oh my God now that might be good instruction but that ain't holiness the very people preaching it tell you

(2:17:56) the law is done away with yes sir they say they say somebody say they say they say they say in the church all Sinners bring them in and let's get them saved I got one question the next time somebody says that I beg you preachers that's under this ministry to ask them one question one question if they say we going to get some Sinners saved tonight sh from [Music] what come on now what you going to save them from the Bible the angel told Mary yesu was coming to save them from their sins which is the transgression of the

(2:18:46) Lord what do you oh I know why you want to get saved you want to go to heaven get that out of your mind too come on now I don't want to go to hell get that out of your mind come on now if you're coming down here to get saved from hell you didn't get [Music] saved I don't want to go to hell of course you don't you're selfish it's all about you yeah yeah self if you get somebody saved for heaven or hell you'll have to keep them saved because of Heaven or Hell all right now somebody says I want to get saved say from

(2:19:22) what they from Hell say I'm wrong preacher go find go find the B preacher Godly sorrow Works what repent thank you what are you sorry for come on you sorry if you're going to hell Roll come on I'm sorry I broke your I'm I ioke [Applause] I'm I'm a sinner because I'm a law breaker I don't keep the Sabbath I go to church on the Pok Day come on come on now come

yes sir them Commandments mean nothing to me I changed them it's the nine Commandments yeah yeah you're a sinner you're a sinner when you break the Commandments I don't care if you're a

(2:20:24) tongue talker you're a sinner laughing all day long boys I don't care if you're a tongue talker you're a sinner this man is a sinner because he broke the law now the only reason he needs Grace is if he broke the law now somebody said were under grace okay before you show your ignorance any further why do you need Grace you don't even need Grace come on now right because the law was done away with why do you need grass right so the next time somebody says brother Von we're not under the law said then we're not under grace because (2:21:20) one without love and marriage together like a horse and carriage faith without works is demonic Law Without Grace is demonic Grace without the law is demonic sir so this brother wants to get saved from what from breaking breaking command Commandments of God now the problem with that is people don't know what law we're talking about when you come to the next session we're going to show you what law we're going to break it down what laws we're to keep and which ones we're not it's going to change your life amen okay

(2:22:04) amen but this brother's a law breaker he needs Grace because he broke the law so here's what we're going to do we're going to send we're going to do like the church though we're going to send you home go sit down wait no no your grace your love we're going to send you home now the church every one of y'all go to every one of y'all the church you go to they preach what I'm telling you that's true and you still pay your tit am you feed the Liars amen I'm going edit that part out oh I'm not glory to God now the long don't

(2:22:46) exist so guess what we don't need you no more you can go home there goes Grace now you my brother since there's no law for you to break it the only way you can be a Sinners if there's a law you're no longer a sinner so we going to cancel the Revival we we don't need to get nobody saved cuz there's no more Sinners how can you sin if there's no more law amen so matter of fact let's just be Universal is everybody saved go on go on all right we've gotten rid of all the sinners now you cancel the Revival and Save the money and send

(2:23:21) it to me now the church why do we need a church now if the if the purpose is to save Sinners first of all that ain't the purpose of the church the purpose of the church is to instruct Saints somebody said the church is a hospital for the Hur you no it's not it's a hotel for those that are learning Holiness amen yes sir oh brother Von it's a hospital for the Hur no no when the church goes out that's right you're for the hurting that's right in here it's Saints you don't believe me don't make me turn the book out on you Ephesians

(2:24:08) chapter 4 don't make me go there and show you why God gave you a pastor that's right and an apostle and a prophet and an evangelist don't make me show you why he did it wasn't to same nobody [Music] it was to get you mature it's for the maturing of dumb saints come on brother Bon if you would just try to reach more Sinners and and do what with them I can't make them sorry they broke God's Commandments only the Holy Ghost can do that so now we're going to shut the church down the church and now the church shut down preachers (2:24:53) out of the job no more [Laughter] money all right that's true the whole church falls when you forget the law out no need for a church no need for the church but when the spirit of Elijah comes we're going to straighten people speaking out we're going to turn them back to Israel Ephraim back to his brother am and to her sister we're going to straighten it out now let's

finish this up I said that 12 times let's finish this up how does God change people listen and I'm done he never changes he uses the same Ministry

(2:25:37) of Elijah every time he gets ready to change his people the first time was the first time I'm going to talk to you about four comings of Elijah real quick the first time was whenever all of Israel stay with me I'm almost done had turned their back from the Commandments do you know how Israel turned their back from the Commandments it wasn't because they wanted to oh no no no no it was because of a woman [Music] preacher and I love women in Ministry stay with me my grandma's the best stay with me it was because of a woman preacher

(2:26:26) that married the king of Israel his name was Ahab and hers was Jezebel come on brother B how do you know she was a preacher her father was King Kul which was the high priest of aarte who was aarte ishar which is where you get is from come she was an Easter loving preacher uhhuh don't be scared of nobody I'm not going to preach on that right now Jezebel was the daughter of Fel she was the protector of church as usual all right man her father was the pastor of the local church and she was a preacher in that church yes she

(2:27:15) was she was worshiping the Queen of Heaven all right right oh brother V Nobody Does that today really come on now really you ever hunted for a cover Easter EG you worship the Queen of Heaven every time you do it you know what's so funny we tell everybody bring your children to the church so they can learn truth and the first thing we teach them is that rabbits lay eggs giv them to Mo bring us your children so we can tell them that there's a Santa Claus going to come down their chimney and you wonder what's wrong with

(2:27:58) God's church and why the glory has departed it's because you turned it into the worship of the Queen of Heaven yes there's no Holiness left in the church but there's a return of Elijah and he's about to make people so mad he's about to make people so mad they going to get out or they going to get in come on listen I'm trying to close this down but y'all won't let me listen Jezebel married the leader of the House of Israel and when she did she brought her church ways with her and Jezebel built churches all over is that's

(2:28:47) true she named them this and that they were listen to me carefully they were all worshippers I heard the word say in vain do you worship him they were worshippers the scariest thing in this church world today is trying to discern the shaft from the wheat and the tears from the wheat because they're all growing together that's true they shout Alik they preach Alik they talk tongues alike they prophesy alike who really loves the Lord watch this I'm going to show you Jezebel built churches all over Israel and she loved church that's

(2:29:34) right she had 4,000 preachers she had the big organization she moved them all to Hazel moved them all to I'm sorry I'm trying to think oh she had the biggest group in town and they loved having Church shout all night Jezebel loves church but hates truth hates it yes sir and she can convince the leaders of Israel you better hear the men of God speak she speaks to the leaders of Israel and ask them why do you want to be strange Ahab yeah your God yah has all these Commandments but the Queen of Heaven is about joy and peace and

(2:30:37) happiness and good morning Holy Spirit oh Jezebel don't like that masculine God no I hope you just no Jezebel don't like that masculine God the one that makes demands upon his people she likes the Holy Spirit the feminine side of God she SS you know that book y'all got by Ben H good morning Holy Spirit you better throw it out your house that's called worshiping the Holy Spirit baby there's one God his name is Yahweh yeah I didn't get no amens on Amen we don't worship the Holy Spirit come on now that's a third God of a

(2:31:32) Catholic Trinity come on we worship Yahweh here oh Israel the Lord our God is one amen we don't have a feminine God that let you mama let you get M with everything but Daddy will beat your yes sir Hallelujah this church world worships the Holy Spirit the Queen of Heaven it's even that way in our Pentecostal church it's all about the Holy Ghost let me tell you something come on you better be careful amen when you don't even want to know the name of that gohost come on but you were a generic word like holy spirit on you are

(2:32:27) and they got no business preaching in an Elijah Ministry Yahweh somebody say Yahweh that's our God that's our God that's Israel's God that's his law that's his law we live by it we preaching and we're turning the minds my God hallelujah Hallelujah my God hallelujah my God my God hallelujah Jezebel converted Israel to normal worship but here came Elijah read Revelation 2 and 20 brother V that was in that day really all right now nothing yes it is Revelation 2 and 20 neveress never hold this is just before the great and Dreadful day of the Lord

(2:33:24) this is just before the seventh trumpet this is in the sixth day read not with standing I have a few things against thee uhhuh because thou suffer thy woman Jezebel which cth herself a Propst to teach and to seduce my servants to commit fornication to eat things sacrifice unto ID oh did you say this woman preacher going to be tell my people they can eat whatever they want to eat yes sir drop the mic in the last day that same Spirit of Jezebel is coming back to Israel and she's going to convince you preachers and after this meeting's over

(2:34:11) your preachers are all going to try to convince you that's Jezebel I don't care how much you love them you better recognize you better learn to tell the difference in the spirit and the person you better learn to hear that Spirit when they say but they causes so much confusion let me tell you what Jesus said he said don't think I came to bring peace I came to bring the sword I came to separate mama from her daughter I came to separate everybody I came to separate the cars from the weak let me tell you it's still Holiness

(2:34:42) or hell it's tight and it's right we must watch out for this woman why she's in our churches today yeah she's saying what is what is her message she teaches she teaches my people with her joice my herself lesbianism standing right there in God's pull pit I don't care if you like me or not I don't need a DME you got I'm a man of God and you can't deal with it that's your problem come on somebody we're coming to clean up the church come on coming to turn the minds of the children back to the fathers of Israel sir hallelujah yesti what she's

(2:35:29) teaching fornication spiritual fornication what is hold on hold on where's it at what what what's number number seven thou shall not what what is this woman preacher teaching the church it's okay to break the commands got the Holy Spirit these are demon powers I'm preaching it because I love you I may not ever get to see you I could drop dead on my way home but I'll face God saying I told him about this woman Jezebel yes sir yes listen to me Thou shalt not commit adultery but she says you can amen cuz she you know why she

(2:36:13) says it and you believe it cuz God knows your heart [Music] wiede yeah baby he knows with your shackled up self he knows your heart that's right you don't you don't want to submit to nobody you got a Ministry out there running wild because you don't have an apostle in your life somebody that'll bring you truth and keep you on the right track sir and then she tell the church and by the way go ahead and eat whatever you want to eat because it's you're under freedom and liberty now Li all right I'm trying to teach you preacher

(2:36:55) something this spirit's never died she hates Yahweh you want to prove I'm G prove it to you I'm done I'm GNA prove to you that she hates Yahweh walk into your church this

(3:01:15) oh Hall oh w w

(3:03:03) wo oh w wo W woo

(3:05:13) W Malachi 4 verse 5 through verse 6 would you stand for the reading of the word of the Lord behold I will send you Elijah the prophet before the coming of the great and Dreadful day of the Lord verse six and he shall turn the heart of the fathers to the children and the Heart of the children to their fathers least I come and smite the Earth with a curse well that's pray Almighty Yahweh please use your vessel right now to bring forth the word that's destined for this hour I pray that you use the lips of the unprofitable servant

(3:06:00) to speak the Divine mandates of the kingdom of the almighty in the name of yesu we pray and father I take authority over every spirit in this house over every negative Spirit over every Jezebel spirit I come against you as the prophet of God and I declare you to be submitted to the word of God and corrected by the word of God in the name of Yeshua and everyone said amen amen you can be seated read it one more time for those that didn't quite understand it behold I will send you Elijah the prophet before the coming of the great and Dreadful day

(3:06:43) of the Lord amen you may be seated now let me ask every one of you a question when is The Great and Dreadful day of the Lord anybody know screaming out loud the seventh day say it again the seventh day the seventh day the Sabbath day now listen very carefully do you know she but she graduated from my Bible College so that's not fair listen do you know what we graduated over a 100 student students from first Harvest Bible College and um they know this book you don't want to mess with them trust me they know this book front

(3:07:25) to back but there's a reason that most people cannot answer that question when the Great and Dreadful day of the Lord is they think it's the return of the Lord but that's not the case the great and Dreadful day of the Lord is the seventh day amen and the reason you don't understand the ministry of Elijah is because you believed what Babylon has taught you and you don't know anything about the seventh day and therefore God says before the Dreadful day of the Lord I'm sending Elijah yeah I'll tell you this now and

(3:08:12) you can mark it down the Lord cannot come back if Elijah don't come back amen come on am on now how many of you know people that's looking for the coming of the Lord amen how many do you know that's looking for the coming of Elijah nobody no and that's why when he comes you won't recognizeing that's why when Elijah comes you want oh know it's Elijah he said I'm going to send Elijah before the Millennium reain amen am what is the seventh day the Millennium rain why are we here on the Sabbath day today because today

(3:09:09) represents the great and Dreadful day of the Lord the the Millennium rain's going to be beautiful but it's not going to start out beautiful right what's it going to start out with gross Darkness that's why the Sabbath begins at Sunset every day begins at Darkness the day of the Lord begins with darkness that day will be so Dreadful that the Bible said he will have to lift up his skirt because it will be covered in the blood of his enemies now the problem with the church today they know nothing about that day yeah you know why because

(3:09:53) you're so busy worshiping on the pop day you're so busy worshiping on the Pope's Authority that you are clue to Satan has done a masterful job but it's about over there's an Awakening happening sat the Satan's done a masterful job of robbing the knowledge of the seventh day from God's people why because it's on the seventh day when the arrest warrant will be served upon hasatan which is Satan it's on that day when the arrest warrant will be sh there's already an arrest warrant signed in Blood by the Messiah but it's not been

(3:10:39) served my God but on that Dreadful day there's going to be a serving of that's what the Feast of atonement is all about Hallelujah I'm going to tell every one of you watching me around the world live and those of you that's here today if you don't keep the Feast of the Lord you know nothing about the Lord amen amen hallelujah reach come on now I serve the Lord I'm fourth generation Pentecostal my great great grandmother was at ausa Street there's nobody in this room got more Pentecostal than I do nobody but do you know I was the dumbest

(3:11:17) preacher for 40 years all I knew was baptism and the Holy Ghost I knew nothing about the word of God come on now let me tell you something and the baptism we preached was even oh my let me tell you something I'm going to ask everybody in this room and watching me around the world we have 8,000 followers watches this ministry listen to me carefully and I want to ask you a question what is the evidence that you have the Holy Ghost y'all better be careful before you blurt out an answer say it again say it now hold on it's more than

(3:11:55) that what is the Bible evidence now listen don't come around here thinking it's speaking in tongues cuz I got witches that speak in tongues amen hallelujah we got Jezebel that speaking Tong oh yes my cousin came to my house house she's part of our ministry she's probably watching now Darlene she said darling I was invited to a church a few weeks ago uh she didn't say darling she said cousin I was invited to a church a few weeks ago and she said I didn't know what kind of church it was she's a nurse she said I walked in and when I walked

(3:12:36) in the pastor was a lesbian and it was a homosexual church and she said when I walked in the church she said the power of God was more powerful than that building people being slain in the spirit speaking in tongues from front to back prophesying and she said she said I stood there thinking my God they feel God just like I do let me tell you something you Pentecostals you're in spiritual witchcraft most of you you're caught up in your emotions as long as you feel something you better come out of Babylon and quit looking for a

(3:13:12) spiritual victure and find truth come on your services your services impressing me years ago I'm not impressed by power come on now a religion that desires power is a witchcraft religion brother but the Bible says you shall have power no it don't that's your problem with your king Jam Bibles oh yeah amen come on over brother we shall have power it's not what it says go back and read it again it says you shall have authority there's a difference in power and authority yes yes sir I'm going to show you the difference in power and

(3:14:05) authority are you ready amen the military has power they've got tanks they got nuclear weapons they got bombs that's power but ain't one of them can do nothing with it unless the

man with the authority releases the power Hallelujah Satan's got power but the Bible said I give you Authority power I give you authority over the [Music] power you got your power seeking Pentecostals you better quit get power every church has got it every church has got homosexual choir leaders have power come on y shout M you're not going to shout

(3:15:03) on this next we you better sit down my God go eat H while you talking [Applause] tongues chop and pig feet strange flesh strange flesh oh brother I don't believe that I don't care what you believe wow you better go read your Bible sir brother the Bible said first of all don't come with no Bible because you've been reading your you've been under your church teaching yes here's what the Bible said brother B the Bible said pray over the food and it'll be clean okay all right y give me one minute I need a cockroach we going to pray over there we

(3:15:52) eat the Bible said all food that was to be received to be prayed over in Thanksgiving baby a cockroach ain't food a snake ain't food a pig ain't [Applause] food are you going to make holy what God called Unholy yes sir oh I'm going to pray over okay somebody bring me a Wier board I'm going to pray over and make it a prayer board so ignorant what about the she and we love it bring me a Ouija board let's just call it a prayer board we going to pray over it you can't make holy what God Said is Unholy that's why you can't married two men I

(3:16:49) don't care if they get a license at the courthouse or not you can't call Holy God call listen to me if you were to tell me the purpose of your ministry all you preachers that's part of this first harvest group I'm going to tell you what they tell you at your church the purpose of your ministry is to save a soul oh my that's a lie the devil brother B I could just save somebody that's a lie can't you trying to do the job of the Holy Ghost no man comes to the father unless the Holy Ghost R oh yeah I just got to get somebody sa

(3:17:41) they going to be as Pentecostal as you are don't do it they going to be as Baptist as you are please don't mess them up let them stay in the world yes yes oh why is that because we can't because we can't never get them to unlearn what you talk twice fold child twice fold the child of Hell than we are now watch brother my job to save the Lost go back and read your Bible brother I'm a fisher of men you don't know what that means either when that scripture was written they've never seen a fishing pole or bait if they catch the net amen over the

(3:18:28) bom we need some fog machines in here so we can win the young people if truth don't win young people truth won't win nobody I don't need a fog machine I don't need a light there's somebody that's going to build a church on truth and this church is going to change the world before the coming of Yesa so what is my job is it not to win the loss the Bible said that no man comes to the father unless the Holy Ghost unless he's one of them 10 lost tribes and the the Holy Ghost finds him and brings him in now he may use your

(3:19:12) preaching to do it but whatever happens it wasn't you amen there was the Holy [Applause] Ghost so what is the purpose of my Ministry go read your Bible God told the people the leaders of Israel he said you have one job to teach my people the difference between the clean and the unclean the holy and the [Applause] Unholy Hallelujah that's why I run more people off from church than I've ever won I love running people off because baby if you're not the real church you can be run off if you're not we you can be run

(3:19:53) off Hall you know what John said he said if they left us it's because they were never part of us run baby run run baby run why you can't preach this truth hard enough for the real Israel they love the word of Yahweh they love the truth of God it's their food yes what does that have to do with Elijah read it again before the coming of the Lord I will send you Elijah I'm

sending you Elijah the Prophet The Prophet before the coming of the great and Dreadful day of the Lord now where is Elijah he cannot our Lord cannot return

(3:22:25) ministry of Elijah to restore restation oh somebody just heard from the Lord didn't you the ministry of Elijah is to restore but before he can restore he had to deal with Jezebel see now read but I say to you that Elijah is come already whoa whoa whoa whoa whoa the Messiah just said Elijah shall come but then he turns around but I tell you he's come already so he's given us two comings of Elijah amen future and now in his day read and they know they knew him not but they did not know that that preacher that was preaching the them was
