

Mr Blaisdell Emergency Sub Plans Day #1

Red Sub Folder is on top of the file cabinet by my desk

All Blocks take attendance: Seating Chart with Pictures is in this red sub folder.

A & B Block Chemistry: Nuclear Chemistry: [Section 24.1 Nuclear Radiation](#)

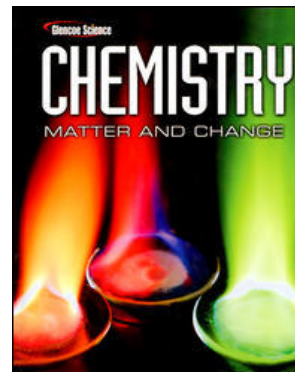

The packets are in the cardboard Glencoe Science organizer next to the red sub folder.

This information is in the red textbook; Chemistry: Matter and Change

Pass into inbox when done, Homework if not done

If done early: Have them work on [Elemental Superhero](#) in the cardboard

Glencoe Science organizer next to the red subfolder on top of the file cabinet, behind my desk.

C Block Enr Biology

Find a **minimum of three digital** resources that are relevant to the topic

we are currently discussing in class and **write a FULL paragraph review** of this of its' content and how it relates to class. This could be a video, presentation, tutorial, simulations etc. If you do not know what topic(s) we are discussing.....you can find it on your class calendar on my [Web Page!](#) Submit your work digitally to me, or pass it in hard copy style, the next time we have class!
