- IP address (for security purposes)

How We Use Your Information

We use your information for the following purposes:

- To Provide Services: Analyze email content and deliver AI-powered suggestions.
- To Manage Subscriptions and Payments: Process transactions, renewals, and invoices securely.

- Authentication: Validate your identity for account access and security.
 - Customer Support: Respond to inquiries and provide assistance.
 - Improve Our Services: Analyze usage patterns to enhance features and user experience.
-

How We Protect Your Information

We take the security of your data seriously and use the following measures to protect it:

- Encryption for data in transit (e.g., HTTPS).
 - Secure storage of sensitive information (e.g., hashed passwords, PCI-compliant storage for payment data).
 - Restricted access to your information to authorized personnel only.
 - Regular security audits and updates.
-

Sharing Your Information

We do not sell, rent, or share your personal information with third parties except as described below:

1. Service Providers: We may share data with third-party vendors to process payments, provide AI functionality, or host our services. These providers adhere to strict data protection standards.
2. Legal Compliance: We may disclose information if required by law, regulation, or legal process.
3. With Your Consent: We will share your data with third parties only with your explicit permission.

Your Rights

You have the following rights regarding your personal information:

- Access and Update: View and update your personal details in your account settings.
- Data Deletion: Request deletion of your data by contacting us at mecha.ai.suite@gmail.com.
- Opt-Out: Unsubscribe from marketing communications or certain data processing activities.

Data Retention

We retain your information only as long as necessary for the purposes described in this Privacy Policy, or as required by law.

Third-Party Services

Our extension integrates with third-party services (e.g., payment processors, AI APIs). These services have their own privacy policies, and we encourage you to review them. We are not responsible for their practices.
