

Klamath Trails Alliance

Suggested Packing List – Multi-Day Backpack Work Trip

Backpacking & Camp Gear

- **Backpack** (50L to 75L that can withstand hauling extra weight)
- **Shelter** (Tent with rainfly and footprint, or tarp system)
- **Sleep system** (Sleeping bag/quilt and insulating sleeping pad)
- **Water storage & treatment** (Water bottles/bladder with minimum capacity of 3+ liters, plus a filter or purifier)
- **Kitchen** (Food and snacks, stove and fuel, pot, spoon, and food storage. Bear hang optional)
- **Illumination** (Headlamp with extra batteries)
- **Navigation/Communication** (Map/Compass, digital maps, cell phone, satellite, power bank)
- **Camp Clothes** (shorts, mid layer, puffy, hat, gloves, clean socks, camp shoes)

Trail Work Clothing & PPE

- **Work Pack** (Day pack or your backpack)
- **Work Boots and Socks** (Sturdy, ankle-high boots and wool socks)
- **Work Pants** (Durable canvas or synthetic work pants; no shorts during trail work)
- **Long-sleeve work shirt** (Sturdy sun/brush protection)
- **Work Gloves** (Leather or reinforced work gloves)
- **Eye Protection** (Safety glasses or sun glasses)
- **Extra layers** (Fleece/wool mid-layer and a waterproof rain jacket/pants that fit over work clothes)
- **Sun & Bug protection** (Sun hat, sunglasses, sunscreen, and insect repellent)

Safety & Personal Extras

- **First-aid kit** (Stocked with extra blister care, athletic tape, and pain relievers)
- **Personal medications & hygiene** (Trowel, toilet paper/sealable waste bag, wet wipes, and hand sanitizer)
- **Multi-tool or knife and duct tape** (For quick gear repairs)
- **Communication** (Cell phone and or satellite device)
