AWE Day 1 Follow-up and Reminders

Good evening, Eagles and Eagle Families,

Today was a great first day of school. We apologize for the bus delays/no-shows and appreciate your patience. Moving forward, we will run all four buses in the morning unless otherwise communicated. However, in the afternoon, 348 will be on a double route, and those students will be brought home by Mrs. Thompson on Bus 141. Again, this double route will only be for the PM route. Students on this combined route may be up to 25 minutes later than the previously established time. Please email Mrs. Corcoran, our new Assistant Principal, if you have any questions, or you can call the front office--336-578-1366.

In the morning, students will not be marked tardy until 8:15 this week only. We prefer all 1st-5th graders to be dropped off in the car circle beginning tomorrow morning. However, if you walk your child in, please come in through the office and park in the front or side lots. Starting Tuesday, September 3rd, all students must be dropped off in the car line. We have older students ready to walk our younger students to their classes and promise to get them from the car line to their classroom safely.

Car tag reminders: If you are picking up your child in the afternoon car rider line, please have your car tag ready! If you don't have a car tag, please write your children's names with their grades on a piece of paper so that you can display it to our car callers until we can get you a car tag. If you need a new tag, please call the office or email Principal Westmoreland, and we can get you a new one. This will help our car process go more efficiently.

Again, we appreciate your patience and support! Today was a great day, and we look forward to tomorrow!
