

Ornaments in the Tree Rules/Procedures

- You will be in groups of 3-4
- You will be given a problem by Mr. Schoolcraft.
- Everyone in the group works together to complete the problem.
- When everyone in the group is done, have Mr. Schoolcraft check your problem.
- If your problem is correct, then you will be given an ornament to hang on one of the trees. Put each group member's name on the ornament.
- If your problem is incorrect, redo the problem until it is correct.
- The trees are worth -10, 10, 20, and 50 points. However, you will not know which tree is which until the end of the game. So, be strategic when you place your points. Mix it up!
- STAY IN YOUR SEATS. YOU HAVE NO REASON TO BE ON THE FLOOR WITHOUT MY PERMISSION.
- Here are the prizes for the top three teams
 - 1st: 5 bonus points on the test
 - 2nd: 5 PRIDE tickets per member
 - 3rd: A piece of candy for each member
