Counselors are available Mondays-Fridays by email from 7am-2:30pm. Student drop in times are before school and during student lunches, otherwise they need an appointment. We will always take care of an upset student or true emergency as needed.

How can my counselor help me?

LHS Counselors are certified school counselors - we are generalists. We can help with the following:

- Helping families navigate through the school process
- Brief crises, personal, social counseling
- Referral for academic, mental health counseling, social service resources - Academic planning
- Meeting graduation requirements
- Career and College counseling

How can I meet with my counselor?

The LHS Counseling Office works just like a doctor or dentist office. Students and families can make appointments by calling our secretary to make an appointment. When the student comes in to make an appointment **Ms. Ellen Cook** will supply them with a pass to show the teacher at the time of the appointment. Ms. Cook makes our appointments and keeps our calendars. You can contact her by calling **425-431-7530**.

Other Counseling Support Services --

How can I find out about career opportunities and college information?

Our Career Center and College Specialist, **Ms. Heather Ohly**, works with our students to develop a post high school plan by helping them complete the College and Career curriculum in Naviance. Ms. Ohly can be found in the LHS Career Center and can be reached by calling **425-431-7538** or by email at Ohlyh343@...

What if a student is in need of social services?

Please always reach out to the school counselor assigned to the student first. We will refer them to our **Family Resource Advocate, Kari Betzold**.
