

### **Professional Licensure Disclosure**

### **Program Information**

| College or School      | School of Nursing and Allied Health |  |  |
|------------------------|-------------------------------------|--|--|
| Degree Program         | Vascular Sonography                 |  |  |
| License or Certificate | Associate/Certificate Program       |  |  |
| Program Contact Name   | Maryglo Stroik                      |  |  |
| Program Contact Email  | mstroik@sju.edu                     |  |  |

#### **About this Disclosure**

This disclosure reflects Saint Joseph's University's reasonable assessment of whether its program meets the <u>educational</u> requirements for a professional license or certification in each state. Many states have additional requirements beyond the educational requirements, which may include, but are not limited to, work experience; passing one or more exams; demonstrating good moral character; completing satisfactory background checks; and submitting applications and payment of fees. <u>Saint Joseph's University ("SJU") cannot and does not guarantee that a professional licensing board/authority will approve a student's individual application for licensure in any field or in any jurisdiction.</u>

State licensing boards may change their requirements without advance notice to SJU. Students are strongly encouraged to review the requirements in the state(s) where they intend to work and consult with the appropriate licensing board(s). Please note that SJU does not make any representations or claims about whether its programs satisfy the requirements for professional licensure or certification in any country or jurisdiction outside of the United States.

Last Revised: June 2024

# **Important Program Information**

States and territories requiring licenses may have additional requirements for continuing education, state issued exam, work experience, and clearances.
