

2026 Live Streaming Team Schedule

Cedar Park First United Methodist Church

[SIGN UP NOW](#)

- Sign up for the date(s) & time(s) of your choice.
- Contact another team member if you need to switch.
- Make edits in the schedule below once the switch is confirmed.
- Use your own judgment, but try to arrive at the church at least 30 minutes before the scheduled service time to prepare the equipment for live streaming, check batteries and to overcome any unexpected problems.
- We are live streaming the 10:45 am Sunday service only, **plus special services as noted.**
- Chat is monitored by Neil unless someone else has signed up to help.

Please help monitor the Chat! See the new [Online Worship Service Attendance Record](#) form.

We monitor the Chat/Comments to get a count of those attending online. Online worship attendance is what justifies continued live streaming.
