OPRG EVALUATION CRITERIA agreed in 2008

1. The OPRG will have significantly raised awareness within the Programme about the major issues of concern to older people.

2. The OPRG has provided constructive advice and comments on how the NDA should reflect the difference perspectives of older people

3. The OPRG has engaged constructively with individual projects and encouraged awareness of the specific needs of older people.

4. The OPRG has acted independently, flexibly and proactively to help to ensure that the NDA Programme achieves its objectives.
