

Hello ASCA Families,

This year for the Season of Advent, we will be recalling our salvation history as Catholics by decorating a Jesse Tree. The tree will be in the front entrance of our school. Every day a different student from each classroom will be hanging a decorated Jesse Tree ornament while a scripture passage is read that explains the symbol.

At home you are welcome to participate in your own family Jesse Tree. The resources I have attached in this email: Jesse Tree Prayer and Activity Page and the decorations document are for your ease of use. Please note: when you click on the daily scripture links, you will need to select the drop down tab choosing the "New American Bible (Revised Edition)" which is the same version the United States Conference of Catholic Bishops use. (See blue arrow)

Praying for your family as we prepare for the Christmas Season.

Blessings,

Sr. Maria
