Discovering Relational Wisdom

Facilitated by George Pana

10:45 AM in Room 1

Life is all about relationships.

- **Why** do some people seem to have closer and more enduring friendships and marriages than others?
- **Why** do they seem to have less conflict, and when it does arise, why are they able to resolve it so quickly and completely?
- **God's wisdom** can be applied to all aspects of life, but especially to our relationship with God and our relationships with the people around us.
- **Relational wisdom** is the desire and ability to live out Jesus' two Great Commandments, namely, to love God with all your heart and to love your neighbor as yourself (Matt. 22:37-39).
- These **timeless concepts** can improve every aspect of your life, whether at home, at church, or in the workplace.

An accompanying workbook will be distributed on the first day of class. Cost is \$10 per book (payable in cash or check to George Pana).
