

MyData Online 2020

List of low- and middle income countries

MyData Online 2020 wants to be as accessible and inclusive as possible and give the opportunity to participate for the people coming from all corners of the world. For this reason we offer the special 50% discount for all types of tickets to the participants coming from one of the countries listed below.

The discount code is published in [MyData newsletter](#) and on [MyData Slack](#) ([#mydata-online-2020-conference](#) channel). In case of any problems finding it, contact karolina@mydata.org / @KarolinaMackiewicz on Slack).

* This discount cannot be combined with the MyData Global Member discount.

** The list is based on the classification by [The World Bank](#).
