Caregiver Agreement

CAREGIVER

Great River School requires a yearly, refundable \$45 security deposit for each device loaned. This cost covers the expense of a charger, case, potential repairs, Google licensing fee, Yondr pouches, and calculators.

Before the technology is assigned to a student, the caregiver must assume financial responsibility for the equipment by signing this agreement. Wear and tear on the chromebooks is expected, and occasionally chromebooks may require repairs through no fault of the student. Whether a repair needed is a result of negligence or expected wear is at the discretion of the Program Director in consultation with the Technology Coordinator.

I will personally guarantee reimbursement of the replacement value of the chromebook to the School or I will make arrangements with my school to work to an agreed upon number if the equipment is lost or damaged.

Item	Repair/ Replacement Cost
Full Device Replacement Laptop (Chromebook)	\$300
Screen Repair/ Replacement	\$80
Keyboard/Trackpad Repair	\$50
Power Adaptor, Charger Port and/ or Audio Jack Replacement	\$30 each
Calculator Replacement	\$90
Yondr Replacement fee	\$30

Chromebooks and Yondr pouches must be returned at the end of every school year. Over the summer the chromebooks will be inspected and updated to ensure they will be in good working order for the next school year. Students will in most cases receive their same chromebook back after the summer break.

Do you have internet acce	ess at home?	
YES		
NO (GRS may issue you	ır student a hot spot)
