

Clint Jensen Memorial Scholarship

The goal of this scholarship is to be awarded to a Newton High School graduating senior student pursuing a 4-year degree in construction management. Selection will not be based solely on scholastic achievement but on sharing the passion for their school activities/sports and community involvement, who has a background in hands on construction and sees the value in higher education to fuel their career.

Please fill out personal information, attach your transcript and provide response to the applicant statement and return to designated school contact.
