Participating Organisations

To complete this section, you will need your organisation's identification number (OID). Since 2019, the Organisation ID has replaced the Participant Identification Code (PIC) as unique identifier for actions managed by the Erasmus+ National Agencies.

If your organisation has previously participated in Erasmus+ with a PIC number, an OID has been assigned to it automatically. In that case, you must not register your organisation again. Follow this link to find the OID that has been assigned to your PIC: [Organisation Registration System](#)

Project Rationale

In this section, you are asked to explain the aims of your project, what you want to achieve and what are its expected benefits on participants and participating organisations. Make sure to read the questions carefully and address all sub-questions.

Aims

Why do you want to carry out this project? Please describe the idea of your project, including the needs and objectives.*

Please also mention how the project fits the needs of the participating organisations.*

How have the needs been identified and how does your project tackle them?*

How does your project link to the objectives of the Erasmus+ programme and those of Youth Workers Mobility?*

Target Group

What are the main target groups of your project? *

Impact

How will your project benefit the youth workers and their organisations in their daily work with young people, during and after the project lifetime?*

How do you expect to contribute with your project to the development of youth work in general? How will you ensure the impact of the project beyond the participants and participating organisations, at local, regional, national, if any European level ?*

Topic

Please select up to three topics addressed by your project*

Project Details

In this section, you are asked to provide further details on your project, the activities you will implement and how you will address crucial elements of a quality project such as preparation, identification and documentation of learning outcomes etc.

Please enter the different activities you will carry out in your project.

Activity (Activity 1)

Description of the activity (Activity 1)

Please describe the profile of the youth workers involved. Please also provide information on the age of the participants and how country balance is ensured. If necessary, explain how the gender balance is respected.*

How will the participants be selected? How will you ensure that the profile of participants matches to the activities? How will the needs of the specific participants be taken into account?*

If a trainer/facilitator is involved, please describe his/her profile and his/her role in the activity.*

Please describe the role and involvement of the youth workers in all phases (planning, preparation, implementation of activities and follow-up).*

How will the youth workers cooperate and communicate between them to prepare and follow-up on the activity?*

Which learning outcomes or competences (i.e. knowledge, skills and attitudes/behaviours) are to be acquired/improved by youth workers in the activity? Please particularly describe the skills and competence applicable to youth work practice.*

How would you ensure that learning outcomes and competences acquired do transform the participating organisations' youth work, in relation to quality, innovation and recognition?*

What are the basic elements of the activity? Please describe at the very least the venue(s), working methods used, aims of each session etc.*

Project Design

Non-formal learning

What non-formal learning methods will you use in your project? What will you do to be sure that the methods allowing them to learn are of high quality?*

Do you foresee to include any virtual component, before, during or after the activity?

Preparation, support and follow-up

How will you prepare the participants before the start of the activity (e.g. intercultural, linguistic, risk-prevention etc.) and how will you support them during and after the activities?*

What measures will you put in place to ensure the safety and protection of participants?

**What activities are foreseen after the end of the Professional Development Activity?
How will the participants follow-up on the activity?***

Recognition of learning outcomes

How will you support participants to be aware of what they have learned and which competences they have developed or improved? Please remember to include the methods that support reflection and documentation of the learning outcomes in the daily timetable of each activity.*

The Erasmus Programme promotes the use of instruments/certificates like [Youthpass](#) or [Europass](#), to validate the competences acquired by the participants during their experiences abroad. Will your project make use of such European instruments/certificates? *

Youthpass

Are you planning to use any national instrument/certificate? If so, please describe which one.

—

Are there participants involved in the activities who face situations that make their participation in the activities more difficult?*

Yes

Which types of situations are these participants facing?*

Economic obstacles, Educational difficulties, Geographical obstacles

If any, please explain the particular measures (accompanying person, reinforced preparation etc.) you will put in place to cater for the specific needs of these participants and/or to support their participation.

How will you reach out to those participants?

Will you include sustainable and environmental-friendly practices in your activities? *

Project Management

The purpose of this section is to assess the approach to project management and capacity to deliver high quality learning activities. Make sure to read the questions carefully and address all sub-questions.

How will you manage the project (agreements with partners etc.) and make sure that it is done in line with the Erasmus+ Youth Quality Standards? You will find the quality standards further down in the application form.*

How will you organise the practical and logistical part of the project (e.g. travel, accommodation, insurance, visa, social security, mentoring and support, preparatory meetings with partners etc.)?*

Partnerships

How and why did you choose your project partners? What experiences and competences will they bring to the project?*

How will you communicate with them?*

How will you monitor and coordinate their contribution?

Which other actors (organisations or individuals) will be involved and how?*

Evaluation

How will you evaluate your project's success? Which activities will you carry out in order to assess whether, and to what extent, your project has reached its objectives and results?*

Sustainability of the results

What will you do to make sure that your project continues to have effects also after it ends?*

Are you planning measures to make sure that the results produced are used and beneficial to others beyond the project's lifetime? If yes, which ones?

Dissemination of project results

How will you make your project visible outside your organisation and partner organisations? How will you share its results and success? With whom will you share the results?

How will you involve participants in such activities?*

Project Summary

Please provide short answers to the following questions to summarise the information you have provided in the rest of the application form. Please use full sentences and clear language. In case your project is accepted, the summary you provided will be made public by the European Commission and the National Agencies.

What do you want to achieve by implementing the project? What are the objectives of your project? Please specify from the perspective of youth work practice.*

What activities do you plan to implement? What is the number and profile of the participants involved?*

What results and impact do you expect your project to have?*
