

Marnie Delaney

Marnie, a California voter, retired to the village of Lorgues, France at the end of 2018. She grew up in Connecticut and spent her working years in marketing/advertising with Ad Agencies In New York, Los Angeles and San Francisco, then ran Advertising & Marketing Communications for Bank of America. As a second career she taught art classes and founded an art studio and shop for children.

Politically involved since the 1960's with a particular interest in issues of women's rights (at that time, opposition to the war in Vietnam). Delaney spent many years involved with the National Organization for Women in Los Angeles, including as President. She has spent almost 50 years fighting for the Equal Rights Amendment and against clinic violence. Building awareness, support and accessibility for people with disabilities has also been a priority, including a stint on the Easter Seals board. She also successfully recruited celebrities and handled press on an international level.

Since joining Democrats Abroad, Marnie has served on the GWC steering committee and launched the Violence Against Women Action Team..She has collaborated on the formation of two caucuses and serves as Chair of the Disability Caucus as well as on the steering committees of the Medicare Portability Task Force and Global Senior Caucus. She has brought may important speakers to DA, most recently Rep, Dingell of Michiganto meet DA members who are so hard-working, smart and dedicated..
