A screenshot of the 'Copy document' dialog box in Google Docs. The dialog has a title 'Copy document' at the top. Below it is a text input field labeled 'Name*' with the text 'Copy of DMA Qualifying template' entered. Underneath the name field is a 'Folder' section with a button labeled 'My Drive'. At the bottom of the dialog are three checkboxes: 'Share it with the same people', 'Copy comments and suggestions', and 'Include resolved comments and suggestions'. At the very bottom are two buttons: 'Cancel' and 'Make a copy'.

4. A new tab will open in your browser with a file called "Copy of DMA_Qualifying_template" that is linked to your personal Google Drive account. This is the file that you may now edit.
