Email Subject: Review Initiation for MicroProfile <Spec> <Version>

Email Message:

We have staged MicroProfile <spec> <version> final release with the release plan (add link to the release plan) and created this issue (add link to the Release Review Issue) listing the various release artifacts. Can you please initiate the review process?

--

Thanks

<your name> on behalf of MicroProfile <spec>

An example:

We have staged MicroProfile Config 2.0 final release with [this release plan](#) and created [this issue](#) to link to various release artifacts. Please can you initiate the review?

Thanks,

Emily on behalf of MicroProfile Config Spec
