Congratulations on being one of the first ten individuals signed up as a Little Miss Kimball Candidate!

Attached are several forms, in which we need to have filled out and returned to the coordinator in order to participate in Little Miss Kimball. In addition to the forms a \$40.00 fee will need to be paid at the time of sign –up.

To help better understand the forms we have outlined them below.

Contestant Contract

This is a contract we need to have **signed by the guardian**. This is new to the program this year and the coordinators feel it is a need to have this contract due to behaviors that have happened in the past and to also avoid unaccepted behaviors going forward. **Please note the section that talks about Royalty Expectations and Behaviors and Travel**. We feel that these two categories are of most importance. Also, we will be taking volunteers to drive in the parades so if your daughter gets crowned royalty and you are interested in helping with driving in the parades please let us know as there is paper work we need to have you fill out.

List of Parades and Community Events

These are the events that the contestants will be bounded to if they are crowned Little Miss Kimball.

Contestant Application

Need to be filled out for coordinator's purposes.

Parental Consent, Wavier and release

This needs to be signed and will be kept on record.

Escort Form

Coordinators are asking the candidate to pick out an escort for the program.

Media Permission Form

This form speaks of permissions from the guardian to have your child's photo, video-tape or name to appear in print.

Thank you for taking the time to sign your daughter up for Little Miss Kimball. We look forward to getting to know your child and offering them a chance to represent the city of Kimball. This is an exciting time for your child and we will do everything to keep it a fair and memorable event for your daughters.
