4th grade 2026-2027

Fourth Grade Weekly Homework
November 2-6, 2026

Dear Parents/Guardians,

This year will be filled with new learning experiences, exciting challenges, and opportunities for success.

Homework is an important part of your child's learning. It provides extra practice, builds responsibility, and helps students develop good study habits that will benefit them throughout their education.

Homework Expectations

- Homework will be assigned Monday through Thursday unless otherwise noted.
- Students should complete and return assignments by the due date.
- Reading for **20 minutes each evening** is encouraged to strengthen reading skills and build a love for books.
- Students should bring completed homework, their planner, and any necessary materials to school each day.

How Families Can Help

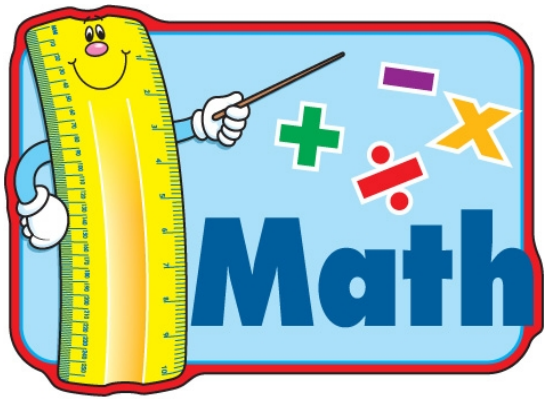

- Set aside a quiet, distraction-free place for homework.
- Encourage your child to do their best and work independently.
- Review completed assignments and celebrate your child's effort.
- Read with your child or discuss what they are learning in class.

If your child is having difficulty with an assignment, please encourage them to try their best. They may write a note on the homework or bring their questions to class, where we will review the material together.

Communication between home and school is very important. If you ever have questions or concerns, please don't hesitate to contact me. Working together, we can help your child have a successful and rewarding school year.

Thank you for your support and partnership. I look forward to a wonderful year of learning and growth with your child.

Time For Dinner

It's time for dinner. "Would you care for some turkey?" inquired mom. "No, thank you." "How about some jam?" mom suggested. "No, thanks." "Would you rather have a yam?" mom asked. "I don't want turkey, jam, or yam! I want pie!"

① What did Mom ask about first?

② Did the child want jam?

③ What did the child want to eat
