# 10. Digital technology in construction

## Worksheet 4: Industrial strategy, Construction 2025 (learner)

Carry out the following research task on the UK strategy for construction in the future by reading the following report:

https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/210099/bis-13-955-construction-2025-industrial-strategy.pdf

1. Briefly, what is the government's vision for 2025?

2. By what percentage is the global construction market set to grow by 2025?

3. Provide an overview of the smart construction and digital design detailed in the 2025 construction industrial strategy.
