

Middlebury Union High School  
School Choice Program Application 2025-2026

The deadline for School Choice is March 1, 2025. A lottery will be conducted to fill available School Choice slots for the coming school year during the first week of March. Applicants will be informed by their home high school regarding their status by April 3. **Applications received after March 1 may be considered on a case-by-case basis, depending on slots still available and individual School Choice procedures.**

**Please note: Only a limited number of School Choice slots are available each year.** Every school has a different number of slots depending on the size of the school and limits established in congruence with VT Law

**SIGNATURES:**

We have read and understand the guidelines pertaining to the School Choice Program. We understand that parents and guardians are responsible for the transportation of our students to and from the choice school and that our student must adhere to the academic and behavioral expectations established by the choice school district. Acceptance into a School Choice Program is contingent upon a determination by cooperating schools that a student is in good standing.
