

Addressed to Vizzuality:

Thank you for submitting your Expression of Interest for Open OSGeo's Branding, Marketing and Web Project.

Your firm, Vizzuality, has been shortlisted. Thank you for your detailed EOI:

- As a geospatial organization we appreciate the presence of mapping elements in your portfolio response.
- Thank you for taking the time to use the OSGeo logo in your EOI
- We respect your recommendation to run the testing at an earlier time and will review as part of your proposal below
- Please keep in mind this is a competitive bid process which is price sensitive

We would like to request a proposal providing additional information before selecting a firm for this project.

Proposal items to be submitted before 2/20/2017:

- Brief Financial Proposal: This should include a Firm Fixed Price quote for the services specified in the EOI. Each component should be broken down into a set of high level tasks/activities with each line item containing an associated budget item. If any reimbursable expenses are planned, please list them with their associated cost. Please include your preferred payment schedule as well as any identified risks or variances from the Not To Exceed (NTE) amount specified in the EOI.
- Brief Technical Proposal and Schedule: This should include a description of your firm's process and key milestones and work schedule as well as key staffing assignments. Please also note any identified risks or variances to the schedule and tasks proposed in the EOI.

Vizzuality is invited to use this step in the process to ask any further questions or for clarification on any details outlined in the Request for EOI. We are maintaining a [website page](#) for this activity tracking the selection process, any clarifications provided, and sponsor logos for design mockups.

Once your proposal has been received and reviewed, we will be setting up teleconferences to discuss the submitted materials with your firm.

As per our published schedule we expect to conclude contract negotiations by the end of February allowing the project to start in March.

Addressed to Get Interactive:

Thank you for submitting your Expression of Interest for Open OSGeo's Branding, Marketing and Web Project.

Your firm, Get Interactive, has been shortlisted. Thank you for your detailed EOI:

- The provided breakdown of example projects at price points above and below our NTE amount was appreciated.
- Answering each qualification criteria directly helped evaluate your response
- Please keep in mind this is a competitive bid process which is price sensitive

We would like to request a proposal providing additional information before selecting a firm for this project.

Addressed to Objective Subject:

Thank you for submitting your Expression of Interest for Open OSGeo's Branding, Marketing and Web Project.

Your firm, Objective Subject, has been shortlisted. We thank you for your detailed EOI:

- As a geospatial organization we appreciate the presence of mapping elements in your portfolio response.
- We are aware that the NTE is "tight", this is a competitive bid process which is price sensitive

We would like to request a proposal providing additional information before selecting a firm for this project.

Addressed to Catalyst IT:

Thank you for submitting your Expression of Interest for Open OSGeo's Branding, Marketing and Web Project.

Your firm, Catalyst IT, has been shortlisted. We thank you for your detailed EOI:

- As an international organization, with members in your country, please be assured we are not at all concerned about timezone differences.
- As an open source foundation, we of course appreciate your use, and support of open source. We like the idea of working with a firm that already knows how open source contribution works in practice.

We would like to request a proposal providing additional information before selecting a firm for this project.
