

# Privacy Policy

TOV KVIDO built the Fire Keeper: Smoke Signals application as a free app. This Service is provided at no charge and is intended for use in its current form. This Privacy Policy describes how we collect, use, and safeguard information when you use the application. By accessing or using Fire Keeper: Smoke Signals, you agree to the practices outlined in this document.

Any information we collect is used exclusively to operate, support, and improve the functionality of the app. We do not sell, trade, or disclose your personal data to third parties except in the cases described in this Privacy Policy. Terms that are capitalized but not defined here have the same meaning as in our Terms and Conditions, which are available within the Fire Keeper: Smoke Signals application.

## Information Collection and Use

To ensure proper functionality and enhance user experience, we may ask you to provide certain personally identifiable information. This information will be retained and used strictly in accordance with this Privacy Policy.

The application may also rely on third-party services that independently collect and process data. These services include, but are not limited to:

- Google Play Services

## Log Information

If the app encounters an error, we may collect diagnostic data through third-party tools. This information may include your device's Internet Protocol (IP) address, device name, operating system version, app configuration, the date and time of the issue, and other technical details. This data is used solely for troubleshooting and improving app stability

## Cookies

Cookies are small data files commonly used to improve service performance. While Fire Keeper: Smoke Signals does not directly use cookies, some

third-party tools integrated into the app may do so for analytics or performance-related purposes. You can choose to disable cookies in your browser or device settings; however, some features of the Service may not function properly as a result.

## **Third-Party Service Providers**

We may collaborate with external service providers for the following purposes:

- To operate and maintain the Service
- To perform services on our behalf
- To support app functionality
- To analyze usage patterns and improve performance

These third parties are granted access only to the information necessary to carry out their assigned tasks. They are bound by confidentiality agreements and are not permitted to use the data for any other purposes.

## **Data Security**

We apply reasonable and commonly accepted security measures to protect your personal information. Nevertheless, please be aware that no method of data transmission or electronic storage can be guaranteed to be fully secure, and absolute protection cannot be assured.

## **External Links**

The application may contain links to websites or services operated by third parties. If you choose to follow such links, you will be directed to external sites that are not under our control. We strongly recommend reviewing the privacy policies of these websites, as we are not responsible for their content or data handling practices.

## **Children's Information**

Fire Keeper: Smoke Signals is not designed for use by individuals under the age of 13. We do not knowingly collect personal information from children. If we discover that personal data from a child under 13 has been collected, we will remove it promptly. Parents or guardians who believe their child has provided personal information should contact us immediately.

## **Updates to This Privacy Policy**

We may revise this Privacy Policy from time to time. Any changes will be posted on this page, and we encourage users to review it periodically. All updates take effect immediately upon publication.

Effective Date: January 14, 2026

## **Contact Information**

If you have any questions, concerns, or suggestions regarding this Privacy Policy, please contact us at [andron3621@gmail.com](mailto:andron3621@gmail.com).
