Key influencers publicly adopt key arguments developed by the OCP	15%	26%	Calculated as of November 2018	15% of key influencers have publicly used key arguments developed by the OCP	16%

OCDS

Objective	2018 target	2018 achieved	Details	Target total (2015 to end of 2018)	Current total (2015 to present)
New government agencies that have used OCDS in publishing procurement data	6	9	2018-11-16: Armenia: Armenian e-Procurement System (ARMEPS); Chile: Chile Compra; Bandung: Integrated Resources Management System (BIRMS); Afghanistan: National Procurement Authority (NPA); Scotland: Scottish Procurement and Commercial Directorate (SPCD); Nigeria: Bureau of Public Procurement (BPP) 2018-08-03: Honduras: Comisión para la Formación de la Alianza Público-Privada (COALIANZA) 2018-05-25: Uruguay: Agencia de Compras y Contrataciones del Estado 2018-02-26: Jalisco: Secretary of Planning, Administration, and Finance	20	26
New validation of OCDS data to 3 star level (as assessed by OCDS data conformity tool)	3	4	2018-11-16: Chile: Dirección ChileCompra 2018-08-03: Uruguay: Agencia de Compras	10	10

			y Contrataciones del Estado 2018-05-25: Mexico: Secretaría de Hacienda y Crédito Público (SHCP) / Secretaria de la Función Pública (SFP) 2018-02-26: Jalisco: Secretary of Planning, Administration, and Finance		
Reusable tools, applications and processes that consume OCDS data	5	3	2018-11-16: OpenTender (Digiwhist); Vue sur les contrats (FFunction); OCDS Kingfisher	10	18
Volume and source of help desk requests	300 requests from 50 publishers	449 requests from 110 partners/publishers	Calculated as of November 2018	Steady increase to 620 requests from 50 publishers	642 from 74 in 2017
OCDS guidance packages developed for specific sectors	1	2	2018-11-16: OCDS for the Agreement on Government Procurement (GPA); OCDS for the European Union (EU)	2	3
Number of companies that can provide OCDS support	5	7	2018-11-16: Codium (Paraguay); Layertech (Philippines); Proactis (Scotland); Open Data Manchester	20	30

			(Manchester) 2018-08-03: Aninver (Spain); Seidor (Chile) 2018-05-25: Datlab (European Commission)		
Growing and more engaged OCDS user community; in terms of A) # on mailing list	300	295	Calculated as of November 2018	300 members	295
Growing and more engaged OCDS user community; in terms of B) average # of participants in community calls	20	38	Publication policies: English (20) + Spanish (15) = 35; Working with OCDS data: English (26) + Spanish (13) = 39; Extensions: English (24) + Spanish (16) = 40;	20	38

Implementation

Objective	2018 target	2018 achieved	Details	Target total (2015 to end of 2018)	Current total (2015 to present)
Number of publishers that report achieved measurable documented impact on use cases, such as value for money, effectiveness, integrity or service delivery	2	0		5	3
Feedback loops are established by government & civil society to ensure that contracting information is analyzed and used to address issues	3	1	2018-08-03: Hivos Makueni County MOU	8	9
New Showcase & Learning projects	1	0		6	4
Support documents developed for catalytic support engagements	4	5	2018-12-31: Scotland; Australia; LA; Philadelphia; Paris/Olympics	10	16

Field-Building

Objective	2018 target	2018 achieved	Details	Target total (2015 to end of 2018)	Current total (2015 to present)
Positive feedback from "field partners" on effectiveness of OCP support	20	On a scale of 0-10, I am satisfied with this event. 8.44 On a scale of 0-10, this event was effective in achieving its objectives. 8.22 On a scale of 0-10, I gained knowledge, capacity, and/or skills around the field of open contracting at this event that I can use to improve my work. 7.87 On a scale of 0-10, I connected with organizations or individuals relevant to me at this event. 7.99 On a scale of 0-10, I would recommend OCP to others working in the field of open contracting. 8.77	Calculated as of November 2018. Sample size of 304.	35	304 survey responses in 2018

| Organisations that have not previously worked on OC start programs or projects on OC | 5 | 24 | 2018-11-16: Somos Más (Colombia); Transparencia por Colombia (Colombia); Misión de Observación Electoral (Colombia); Burócratas (Colombia); Licitamatic (Colombia); Alerta la obra (Colombia); Controla tu gobierno (Mexico); ACIJ (Argentina); La Nación Data (Argentina); Chequeado (Argentina); Aga Khan University (Uganda); Lexis Nexis (Malaysia); BBC Data Unit (UK);

 2018-08-03: La Diaria (Uruguay); Cívico Uruguay (Uruguay); Chile Transparente (Chile)

 2018-05-25: King's College in Kathmandu | 20 (10 new) | 474 |

			(Nepal); Datasketch (Colombia); Fundación Multitudes (Chile); Observatorio Fiscal (Chile); DG Regio; Sunlight Open Cities (US); Open Data Manchester (UK) 2018-02-26: Philippines Center for Investigative Journalism		
Level of connection between actors and organizations in the OC field increases	Level of connection increases by 20% from 2017	32% increase from 2017	14.1 is a 32% increase from 10.7 in 2017	30% increase from 2016 baseline of 9.7	14.1 (45% increase from baseline)
Organisations that are working on OC expand their OC programs to more sectors, countries etc Measured by TOR, job advertisements, program documents	2	6	2018-11-16: UNDP Serbia 2018-08-03: SA GIZ; CoST Panama; TI UK (OC4Health); GDS FCO Prosperity Fund 2018-02-26: EBRD	5	8

Funders begin to fund OC or increase their funding to OC that does not come to OCP; measured by # of non OCP project/programs/organisations that get funding	3	4	2018-11-16: National Endowment for Democracy 2018-08-03: No change 2018-05-25: OCDS-IDS project in Nusa Tenggara Barat, Indonesia (SEA Prosperity Fund) 2018-02-26: Prosperity Fund, Colombia; Hewlett, Uganda	7	16
Top 10 communities deepen, doubling in size.	Double number of actors in top 10 communities compared to 2016	9702	9702 is only a 36% increase from 7160 in 2017	Doubles from 2016 baseline of 771	9702 (1258% increase since baseline)
Network size (based on email exchange analysis)	Network grows by at least 800 (measured early 2019)	5257	5257 is a 1.5% decrease from 5336 in 2017	Doubles from 2016 baseline of 1380	5257 (387% increase since baseline)

Learning and Evidence

Objective	2018 target	2018 achieved	Details	Target total (2015 to end of 2018)	Current total (2015 to present)
Learning convening: A) # of learning sessions	8	26	2018-11-16: Honduras training; Uruguay DataCamp; IODC; Abrelatam; OGP Korea Deep Dive workshop; Korea Hivos Support Providers; OGP Georgia Summit session; Lisbon eGP; BBC Data Unit hack; Journocoders; RICG open contracting workshop; Crown Agents training 2018-08-03: Lithuania seminar; BiH seminar; OCDS training in Mexico City; OAS event in Mexico City; OCDS training in Colombia; Ghana EI workshop 2018-05-25: AFIC OCWG workshop; Side session during PDF Poland's Open Spending event; Mexico City Open Data Day event; NYC Open Data Day event; Colombia Open Data Day event; Messina workshop; UK Hackathon 2018-02-26:	20	56

			EBRD (OCDS for eGP)		
Learning convening: B) Effectiveness of learning sessions		On a scale of 0-10, I am satisfied with this event. 8.44 On a scale of 0-10, this event was effective in achieving its objectives. 8.22 On a scale of 0-10, I gained knowledge, capacity, and/or skills around the field of open contracting at this event that I can use to improve my work. 7.87 On a scale of 0-10, I connected with organizations or individuals relevant to me at this event. 7.99 On a scale of 0-10, I would recommend OCP to others working in the field of open contracting. 8.77	Calculated as of November 2018. Sample size of 304.	Overall high level of satisfaction	High level of satisfaction
Implementation tools, guidance, and resources developed for and with the field A) Developed by OCP for the field	3	11	2018-11-16: OCDS 1.1 Codelist Mapping Template; Open Contracting Tools Directory; Manual: R for OCDS; Idiot's Guide to Looting Public Procurement and Getting Rich Quickly; OCDS 1.1 Building Blocks Resource Guide; Visualizing OCDS with Kibana; 2018-08-03: Mythbusting report;	9	28
