Regrets: Julie DeLong

1. Call to order - 3:32pm

2. Approval of agenda - Catherine, Michelle

3. Approval of previous meeting's summary - Michelle, Lauralee

4. New business

a. Provincial assessments Teachers have the opportunity to apply for the scoring of these assessments. Our school has now completed our assessments. They are ready to be sent to the province for marking.

b. School Data Wall - During our first CLT, we used our September reading data to update the wall for all grades and students. During our CLT tomorrow, we will be paying particular attention to our numeracy data wall.

d. Financial Report - there is no change from our last meeting in regards to the
financials

e. KEV - Oct 7 report 32.08%. 68 registered.

f. Volunteers - We will reach out when we need volunteers.

g. Students continuing to be homeschooled - Approximately 9 students from our previously enrolled student body remain home.

h. Rapid testing kits - Kits have gone home with all students. Each child has been provided with four rapid tests. There was a letter attached from the province.

Participation is optional.

i. Trailblazers - A program via Coastal Action. This program is up and running this year. We have 16 students participating. Last Wednesday was the first day.

Trailblazers will take place every Wednesday - regardless of CLT or not - until December 15th.

j. Messy Saints - Messy Saints will be virtual this year. Any questions directed to us, we will pass on to Iris Veinotte, as it is not school affiliated.

k. Nourish Your Roots - Thank you Catherine for volunteering to be at New Ross on Tuesday October 26, 2021 from 2.30 - 4.00pm. The order period ends today, October 19th. We currently have 9 boxes sold.

l. Sarah Murphy Healthy School Promoter

i Ecology Action Centre (EAC) – the EAC will come out to schools to complete walkability/active transportation audits with students. Last year, a group of students at Parkview & Riv-sud participated. Information gathered can be used to identify specific ways to improve safe and active routes to

school. It provides opportunities for student engagement and leadership in the process.

ii MODL – if there is interest among SAC/students/staff, we can connect with the municipality to work together to discuss options around improving the safety of walking or wheeling to school.

m. Important Dates; October 20 and November 3 - CLT, October 22 - provincial inservice, October 28 - Parent/Teacher, Nov - outdoor Remembrance Ceremony,

5. Other - N/A

6. Next meeting: November 16th, 2021 - 3:30pm
