

What I should do before my Eyelash Extension appointment?

1. •Remove all eye makeup and clean your lashes with mild, oil free cleanser or your extensionist will do it for you.
2. •Please don't use oil based makeup removers to clean your lashes prior to the application.
3. •Please don't put on any mascara the day of your appointment; I'd rather spend your time working on perfecting your lashes.
4. •Please remove contact lenses and wear glasses to your appointment, or bring a lens case and remove them when you arrive at your appointment.
5. •Plan to set aside 2 hours for your full set appointment & 1 and 1/2 hours for your fill appointment. Many of my clients fall asleep during the procedure. They are always amazed when they wake up with gorgeous looking lashes.
