

Category	Insight Statements	Notes
Usage of space	Need less space (smaller than other user groups)	
	Specific requirements in terms of space (kitchen) and storage	
Frequency of use	These groups need space less often	
Accessibility	More difficult to find more accessible spaces	Only mentioned by one user - need to investigate further
Underutilised LBH Space / Exclusivity	Perception that you need to be the right type of person to get the space you need	Council has a lot of space but won't give it to me
HCVS	HCVS are the link to find space but not always successful	
Affordability	Up to £20 per hour is the absolute maximum - less money than quoted by another user groups	Money is more of an issue for this group
One man band	Less resource to find the space	Harder for them to look for space as there's less people to find them
Locality	Less flexibility in terms of location of space as it needs to serve particular communities
