# Privacy Policy for BeatLoop

**Last updated: August 15, 2025**

## Introduction

BeatLoop ("we", "our", or "us") is committed to protecting your privacy. This Privacy Policy explains how we collect, use, and safeguard your information when you use our mobile application.

## Information We Collect

### Information You Provide
- **Account Information**: Email address and name when you create an account
- **User Content**: Audio files, video recordings, and session data you create within the app
- **Profile Information**: Optional profile details you choose to provide

### Information Collected Automatically
- **Usage Data**: How you interact with the app, features used, and session duration
- **Device Information**: Device type, operating system version, and app version
- **Crash Reports**: Technical information about app crashes to improve stability

### Information from Third Parties
- **Social Login**: If you sign in via Facebook, we receive your name and email address

## How We Use Your Information

We use your information to:
- Provide and maintain the BeatLoop service
- Authenticate your account and enable app features
- Store your sessions and videos locally on your device
- Improve app performance and fix bugs
- Communicate important updates about the service

```
## Permissions

BeatLoop requests the following permissions to provide its features:

### Camera Permission
- **Purpose**: To enable video recording of your dance practice sessions synchronized with audio loops
- **Usage**: The camera is only accessed when you explicitly choose to record a video
- **Storage**: Videos are stored locally on your device and are never uploaded to our servers without your explicit consent
- **Control**: You can deny or revoke camera access at any time through your device settings

### Storage Permission
- **Purpose**: To save and access your audio files, videos, and session data
- **Usage**: Required for importing audio files and saving your recorded content
- **Control**: Essential for app functionality but remains under your control

### Microphone Permission (if recording with audio)
- **Purpose**: To record audio along with your dance practice videos
- **Usage**: Only accessed during video recording if audio capture is enabled
- **Control**: Optional and can be disabled in app settings

All permissions are requested only when needed for specific features. You maintain full control over these permissions through your device's system settings.

## Data Storage and Security

- **Local Storage**: Your audio files, videos, and session data are stored locally on your device
- **Cloud Storage**: Account information is securely stored using Supabase
- **Security**: We implement industry-standard security measures to protect your data
```

## Data Sharing

We do not sell, trade, or rent your personal information. We may share information only:
- With your explicit consent
- To comply with legal obligations
- To protect our rights and safety

## Your Rights

You have the right to:
- Access your personal information
- Update or correct your information
- Delete your account and associated data
- Export your data

## Children's Privacy

BeatLoop is not intended for children under 13. We do not knowingly collect information from children under 13.

## Changes to This Policy

We may update this Privacy Policy from time to time. We will notify you of changes by updating the "Last updated" date.
